

THE UNITED LEAGUE.

LUTON v. LOUGHBOROUGH.

Played at Loughborough on Tuesday. Result:—

Luton 3 goals.

Loughborough 1 goal.

Considerable interest attached to Luton's visit to Loughborough on Tuesday, owing to the fact that a victory there would make them safe for the championship. The usual team went down, except that Little took the place of Birch, who was on the injured list. The visitors had the best of matters all the way through, and ran out winners as stated. The question of the championship was the only thing which imparted the least degree of interest to the fixture, people generally having been surfeited with football this Eastertide.
