

THE UNITED LEAGUE.

BRISTOL CITY v. LUTON TOWN.

Played at Bristol on Wednesday. Result:—

Bristol City 6 goals.

Luton Town nil.

Luton were unfortunate in again having to break up their team on Wednesday, in consequence of the injury sustained by Moore at Blackpool. Williams, therefore, had to take the full back position and Sharp was included at centre-half. In the first half, Luton maintained their ground very well, and the interval arrived with a blank sheet, but afterwards Bristol added six goals, and won by that number to nil. Under the circumstances I don't know that there is much to cry about, and if Luton will take two points out of Grimsby on Saturday on the Bury Park ground, we may very well forgive them Wednesday's defeat. It is not quite certain Moore will be able to play, but he hopes so, and we must all hope so too.
