

FOOTBALL.—As a result of the conduct of the Luton spectators in the Leicester Fosse match, the ground has been ordered by the Football Association to be closed for a fortnight from Saturday. As Luton go to Walsall to-morrow and Newton Heath the following week, the infliction is very mild. Only one match, with Kettering next Monday, is disarranged.—The Luton team were beaten at Brighton on Wednesday in the United League by 5 goals to nil. The home club had two palpably offside goals allowed them, and the result should have been 3-1. It was a very rough game, but Luton had the best of the first half.
