

FOOTBALL.—The Luton football team has had another sorry week's experience. On Saturday they were defeated at New Brighton by 4 goals to *nil*, and gave a trial to Palmer, from a London suburban team, in goal, who was only moderately successful. Brock and Dow were replaced by Hawkes and Boutwood, of the Reserves.—On Wednesday, at Reading, Farr was in goal, but Luton kept up their succession of losses in the United League by giving away 6 goals to *nil*.—Tomorrow, Luton meet Lincoln City, and it is the last Second League match of this season in Luton.—Perkins played for Liverpool against the Celtic at Glasgow last Saturday, and his skilful defence won warm eoniums from the Northern press.
