

LOUGHBOROUGH v. LUTON TOWN.

Played at Loughborough on Tuesday. Result

Loughborough 1 goal.

Luton Town 1 goal.

After the display given on the Bury Park ground on Monday, it was taken for granted that Luton's visit to Loughborough the next day would enable the Luffs to win their second League match this season. As it turned out, however, the Lutonians gave a better account of themselves than was expected, and effected a draw. If Luton had done better in their recent games the one point might have been very welcome, but as it is, it cannot help to get them out of their unfortunate position amongst the bottom three on the League table.
