

Luton went to Wellingborough on Monday afternoon to play a United League match, and though they had an apparently weak team, they succeeded in winning by 3 goals to 1. The forwards were as usual, except that Barker substituted Gray, who has gone home, the half-backs comprised Hawkes, Cox, and Williams, Clifford standing out by reason of damages sustained in the Portsmouth match, and the backs and goal-keeper were as usual.

Luton for the most part played very effective football, and at the interval were leading by a couple of goals (scored by Barker and Tierney) to one, and in the second half Saxton put on another. The forwards all played well, with the exception perhaps of Saxton, who was not great, Williams and Hawkes did excellent service at half back, and Lindsay played a strong game, while the score shows that Ord was pretty safe in goal.
