

READING v. LUTON.

Luton finished their Southern League engagements at Reading on Monday, when the re-arranged match was played before a moderate crowd. The visitors were not at full strength, Gallacher and Lane figuring at half-back, while Latheron was outside right, with Warner as a partner. Neither was Reading at full strength. The homesters were the first to score, Allman beating the Luton goalkeeper after receiving a good centre by Bainbridge. Before the interval Brown equalised for Luton. Play was distinctly poor after the change of ends, and nothing more was scored.

Result: Luton 1, Reading 1.
