

HASTINGS v. LUTON.

In the United League yesterday, Hastings at home beat Luton by 2—0 before a large crowd. Hastings scored in the first minute through Perkins, and although the visitors attacked, they shot wildly. Beney then raced away, passed out, and receiving again, shot a second goal. In the second half Luton pressed, but the leaders again took up the attack, and would have piled up a big score but for Platt, who gave an extraordinary display in goal. Jarvis, the home custodian, was badly injured towards the end.
