

SOUTHEND WON'T HAVE DEFEAT.

LUTON (the Hatter): "There you are, my boy, that's the only one that'll fit you in the shop."

SOUTHEND: "Well, I'm perfectly certain that one won't suit me."

LUTON: "These hats are very fashionable just now, I think you had better try it on."

[On Saturday next Luton meet an undefeated club in Southend United. At present they are Luton's most dangerous rivals in the race for promotion, as one can already take it for granted that Cardiff City will be one of the promoted clubs. Luton MUST win this match.]
