

LUTON DEFEATED AT MILLWALL.

In the Southern Alliance match at Millwall on Monday, the following teams were played:—

Luton—Bateman; W. Toyer and Potts; Fred Hawkes, Wilson, and Bob Hawkes; Stephenson, Murphy, Smith, Johnson, and Worth.

Millwall—Spendiff; Kirkwood and Jeffrey; Hawkins, Voysey, and Butterworth; Dilley, Wayment, Davis, Quinn, and Vincent.

Millwall were always the better side, but could not score until just before the interval, when from a lobbing centre by Vincent, Wayment put the ball through. The result was quite determined during the first ten minutes of the second half, when Millwall added three more goals. Potts, crossing a forward pass by Davis, put the ball through his own goal. Then from a goal kick the three Millwall inside forwards dashed through and Davis scored. Davis again got away, and, fouled in the penalty area, he took the kick himself, and added another goal. Bateman, the Luton goalkeeper, afterwards saved a number of fine shots in capital style.
