

If only
Sid Hoar
had
the
legs
of
Higgie

and
Butcher
possessed
the
elegant
form of
Simms!

Of course this
isn't really
McKechnie's
chest, but
his debut
into league
football last
Saturday accounts
for its aspiring
proportions

Simms
would
look
dapper
in
Bookman's
5 ft. odd.

Have you noticed
that Mat's
steps
always
go to
"the
wearin' of
the Green"?

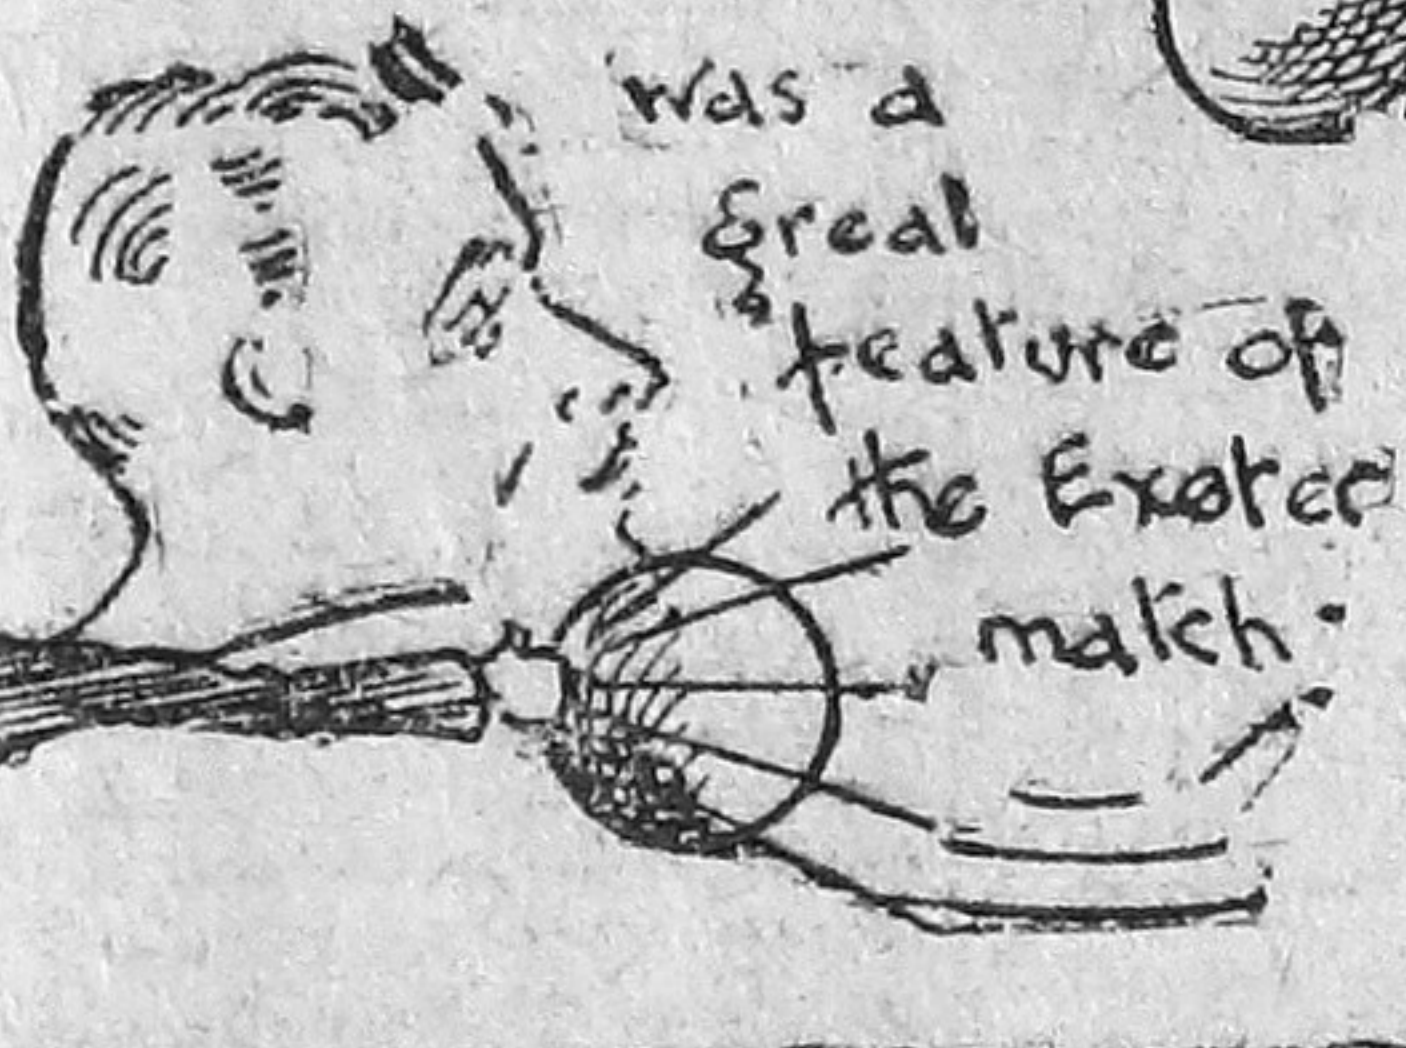

N.B. The
Green

whilst
Louis is very
fond of "The
Dear Little Shamrock!"

By
the
way.

Bailey's
"daylight
savings"

was a
great
feature of
the Exeter
match.
