

Southend came
prepared for a
really big
catch

into which they placed some
liberal
contributions

This is
"positively
the
last
appearance"
this
season

in Luton

of

the

famous

billy-
whites

Luton, however, seemed to regard the
Shrimpers' net as a kind of
Hospital Fund
collecting
box

but when Southend
began to feel that
they
ought to
reciprocate,
of course Bailey
wouldn't hear of it!
