

LAST SATURDAY'S GAMES.

Luton Town brought a point away from Gillingham on Saturday, and considering that the wooden spoonists have been doing so very well during the last month, this must be regarded as a fairly good performance. The game was rather patchy, and, although Gillingham had the better of it in the first half, the Town were more aggressive in the second. Bailey gave a good display in goal, and was well supported by the backs, but the halves and forwards played moderately.

LUTON TOWN.—Bailey; Hull, Tirrell; Molyneux, Parker, Walsh; Hoar, Butcher, Simms, Mathieson, Bookman.

GILLINGHAM. — Branfield; Robertson, Sissons; Thompson, Waugh, Needham; Battiste, Howard, Wood, Hall, Wright.
