KINGSTONIAN**CLUB NOTES**

We were delighted with the wonderful game our boys gave Luton Town in the F.A. Cup at Luton on Saturday. Out of eight home games Luton have played in the Third Division, Southern League, they have won six and drawn two, scoring 25 goals against 9, and for the K's to draw at two all after being twice in arrears, against a side with such a fine record, was indeed a very meritorious achievement. The penalty given against "Stanley" Baldwin for handling in the first few minutes was, we consider, undeserved, for it was to our minds not intentional.

The Kingstonian Executive would like to take this opportunity of expressing their very best thanks to the Luton officials for the very cordial welcome given to us, also for their kind hospitality. The spectators are also to be commended for the ovation given our lads at the conclusion of the match, this showed undoubtedly the true spirit of sportsmanship.

We are very pleased to welcome our professional friends to the Royal Borough this afternoon in the replay, and at the time of writing these notes we hope to field the same side that did duty on Saturday, and therefore another fine game should be witnessed.

The winners of this game travel to Stockport in the second round on December 10th.

We would like to remind the public that the increase in the charges to-day are in accordance with the Rules of the Football Association governing this competition.

On Saturday next we meet another professional side in Guildford City at Guildford to contest the Surrey Combination Cup final left over from last season.

Club Notes—continued.

Doug, Whitehead, Ted McCarthy and Jack Daley, were all selected to represent the Isthmian League against the Athenians at Romford on Saturday, but in view of the Guildford match the Isthmian League have graciously released them to assist us.

The draw in the first round of the Amateur Cup has not been kind to us, for we are again called upon to make the long journey to Portland. It will be remembered we were there in February last, when the K's smashed the United's three and a-half seasons unbeaten home record, by defeating them three nil.

Our 2nd XI on Saturday last overcame Leyland Motors Reserves in the Surrey Intermediate Cup by four clear goals, but we are sorry to see the 3rd XI crashed at Hanworth in the Teck Cup, being beaten by five goals to one.
