

A HIGH AND DRY WEEK-END

LUTON SUPPORTER (after a week-end on the No-Good-Win Sands):—"Cheer up, old man, the tide may turn soon." Luton Town's opening matches with Southend United and Cardiff City did not have the results their supporters hoped for. One point out of a possible four is hardly promotion form, but form at this stage of the season is usually topsy-turvy, and it is early yet to be too critical.
