

LUTON WIN EASILY

Nelson's Mastery

Luton Town4 Bristol City0
(Attendance 14,000)

BRISTOL CITY'S defence had a gruelling afternoon, although Luton slackened off a great deal in the second half.

Wilson's goalkeeping kept the score down in the first half when Stephenson scored, but Ball netted twice within five minutes of the restart, and Hodge scored the last just before the end.

Luton were in a much higher class than their visitors, showing neater footwork individually and collectively.

The front line, supported by strong halves in Finlayson and Fellowes, baffled the City middle line frequently and only the grand work of Wilson, Roberts, and Bridge averted a heavy score.

Dryden was the main danger in the City forward line and late in the game went very close to spoiling Luton's clean sheet.

Nelson was the master man in Luton's defence where Smith played grandly at back, and in the half-back line Finlayson and Fellowes were excellent supports to the hot attack.

Luton.—Dolman ; Mackey, Smith ; Finlayson, Nelson, Fellowes ; Hodge, Payne, Ball, Roberts, Stephenson.

Bristol City.—Wilson ; Roberts, Bridge ; Morgan, Pearce, Brinton ; Peters, Armstrong, Haycox, White, Dryden.
