THIS afternoon we entertain Aldershot, and we extend to them a hearty welcome on another visit.

The game between us has a semblance of a David and Goliath aspect for whilst we are striving to carry off the championship of the Division, the men from the Army town are fighting desperately to avoid the wooden spoon and consequently stave off the stigma of having to apply for re-election. They have an uphill fight however, for even now they are five points behind their nearest unfortunates. The result of the match this afternoon is by no means a foregone conclusion, although we all hope our boys will pull through, as indeed they must if the coveted honour is to be our lot. Injuries have played havoc with the Aldershot team this term and to a club with only little financial resources this is certainly tragic, and may be able to explain a deal as to why they do not hold a more exalted position. Although we hope they will not improve at our expense this afternoon, it is however our sincere wish that the future will have brighter days in store for them.

The following are a few notes regarding the Aldershot team on duty here today.

- H. Wright** (goalkeeper) Was born in London and played for Resley Avenue School as an outside right. On leaving school joined up with Barnet as the custodian of the citadel. Left Barnet for Harwich and Parkstone from which Club he joined Aldershot after successful negotiations had taken place with Charlton Athletic for whom he had signed an amateur form. Represented England against Scotland in King George's Jubilee game 1935. Height 6 ft. 1½ ins. Weight 12 st. 6 lb.
- R. T. Wade** (right full back) Born at Ilford for which Club he played as an amateur before turning "pro." His first professional Club was West Ham with whom he remained three seasons before joining Aldershot. Is the holder of an amateur cup medal. Height 6 ft. Weight 12 st.
- G. Williams** (left full back) Born in Ynysddiv, Wales. Played for Cumfelinfach School and was in the final trial for schoolboy international honours. Played for his native village before

joining Watchville Rangers from which club he went to the Charlton nursery, Bexley Heath. Height 6 ft. Weight 13 st. 2 lb.

- B. Diaper** (right half back) Born at Southampton and played for Harland and Wolff before joining Cowes. Since that time was three years at Arsenal, before joining Luton, Fulham and Charlton. Has represented the London Football Association on two occasions. Height 5 ft. 8 ins. Weight 11 st. 4 lbs.
- E. D. Gerrard** (centre half back) A local. When in the Army his football attracted more than one club. In his fifth season with his club. Height 5 ft. 11 ins. Weight 11 st. 6 lbs.
- J. Buller** (left half back) A native of Chilton, Durham and played for Chilton Colliery, Spennymoor United, Hartlepoons and Stoke City. Was with the latter club four seasons. Is more of an attacking half than a defender. Height 5 ft. 7½ ins. Weight 11 st. 10 lb.
- R. F. Thomas** (outside right) A Welshman by birth and also a recruit, his transfer being obtained from Charlton early this season. Height 5 ft. 6 in. Weight 10 st. 8 lb.
- W. G. Hinton** (inside right) Joined Aldershot last season having previously been on the books of Norwich City. Has been on the injured list all this season prior to three weeks ago, due to an injury sustained in the practice matches. Height 5 ft. 10 in. Weight 11 st.
- C. H. Ray** (centre forward) Born at Lewes, Sussex and played for his native town. Joined Aldershot last season. Height 5 ft. 10 ins. Weight 11 st. 10 lb.
- W. V. Clarke** (inside left) A native of Newport. Played for Newport Rovers before joining Newport County. After three seasons was transferred to Portsmouth, but after one season with "Pompey" was allowed to go to Brighton. Height 5 ft. 8½ ins. Weight 11 st. 6 lb.
- H. H. Butt** (outside left) Signed from Charlton in January of this year, being secured from Bath City by the London Club after a Cup Tie between the two clubs. Height 5 ft. 8 ins. Weight 11 st.

BOBBERS STAND CLUB

President: Philip W. Wright, Esq. Hon. Secretary-Treasurer: J. Collier.
Committee: Messrs R. Claridge, F. Cooper, N. Lines, A. Whittaker, E. G. Gibbs, A. Flinton.

Needless to say we were very pleased to get two more points last Wednesday. Let us still be greedy and hope for the same reward today. If only we supporters will keep our spirits up and pack the ground we are sure of helping the boys in the doing of their bit. On Wednesday, one of our old supporters, Mr. J. Pugh, brought several with him from Chatham and needless to say he was exceedingly pleased to see his old team win. Before the match they all sat down in the Bobbers to a meat tea and after hearing them shout for Luton there is no doubt that they were in need of a 7 Course Dinner after the match.

On-Sunday evening we are to be entertained in the Games Room by the Luton Public Band who will give a programme of sacred music. Mr. Brown is also doing his best to obtain a quartette in the New Lounge, so therefore members, turn up in your numbers and hear some good music. The Committee also wishes to express their satisfaction of the good number of football fans who are joining the Club. We still have room for a good few more yet, and when we do get enough we will let you know. The Committee hope to do quite a lot this close season to help the football followers. This cannot be done alone, but we know everyone is prepared to do their little bit, and all can assist if only by joining us. The subscription is 1/2 per year and for this you get all kinds of games and refreshments. Our catering department is more than pleased at the result of our

announcement that all supporters, who are members of the Club or otherwise, can come into the Club for a cup of tea and eatables on match days. The response has been excellent. Do not forget there are four entrances to the Club and we also have a quick service. After the match too, you are able to get tea, so don't forget to support us and we in turn will do all in our power to give you your requirements as to comforts on the Ground.

We regret to learn of the death of one of our old members in Mr. W. Goodyear and extend to his family our deepest sympathy in their sad bereavement.

FIFTY YEARS' PROGRESS

Here are illustrated some of the machines of the past and in contrast is the finest bicycle of to-day—the Raleigh. Throughout all these years Raleigh have been first with every cycling improvement.

Don't blame cycling if it tires you. Blame your bicycle. If it makes hard work then it's old-fashioned—even if it's new. So change to a Raleigh. For a Raleigh is *designed*—from the position of the saddle to the free-running bearings—to make cycling easy. The whole secret of its easier-running and modern design is that skilled engineers are constantly working to improve the Raleigh—and every part is made in the Raleigh factory. Get the best in cycling—Get a Raleigh.
