## Spoilt

LUTON TOWN ..... 1  
Gager.  
LEICESTER CITY .... 2  
Lee (2).

A goal two minutes from the end enabled the City to take both points. It was a thrilling finish, for with the scores level Gager hit the post, and from the clearance, Leicester broke away for LEE to score the winning goal.

In some ways the Town were unfortunate to finish pointless, but the City were the better balanced side, and should have begun their scoring before they did.

As it was, they left it until 17 minutes from the end before they equalised the goal which GAGER had scored after five minutes. LEE was the marksman, and he took advantage of a slip by Beach.

With Gager in the attack, the defence was not so sound as usual, and although Brice gave little away, and had a good first half, he did not inspire the same confidence as Gager does.

Neither full-back was consistent, though Sanderson was troubled by injury, and Soo was the pick of the defence, though no one worked harder than Cooke. Duke had no chance with the shots that beat him.

Gager was not a complete success as leader of the forwards, though with any luck he would have had two or three goals. In the second half he interchanged positions with Kettley, who was more effective in the middle than he had been at inside right.

Connelly was the most dangerous forward, and Waugh was always a menace to the sound City defence. Steen made a bright opening, but an injury affected his later play.

LUTON TOWN: Duke; Beach, Sanderson; Soo, Brice, Cooke; Steen, Kettley, Gager, Connelly, Waugh.

LEICESTER CITY: Calvert; Jones, Howe; Harrison, Grogan, Eggleston; Griffiths, Dewis, Lee, Iggleden, Adam.
