CLUB NOTES.

By "Lionheart"

The first win of the season continues to evade the Lions.

On Saturday last against Fulham at Craven Cottage our boys played really well, fought in good style, and generally gave a display that belied their lowly place on the League table, yet the Lions were beaten by the odd goal in five. That's how it goes when a team is striving for its first win, and it must have been most disheartening to our players to finish behind after such a good show. All the goals were scored in the first half. Fulham gained the lead after 15 minutes, but a few minutes later the Lions were on level terms when a low shot from Hurrell went into the net. Then the Fulham supporters got a shock when Fenton scored, following a corner by Mansfield, to give Millwall the lead. Before the interval, however, the home side had not only equalised, but had regained the lead. In the second half the Lions enjoyed the better of the play, but nothing went right near goal. The framework of the home goal was struck two or three times, but the ball would not go into the net. Every one agreed that Millwall at least earned a draw on the play, and if those smiles of Dame Fortune, so sparingly administered these days as far as the Lions are concerned, had been with us, our boys would have won this game instead of being beaten.

A late change had to be made owing to Charlie Wood not being fit, so the half back line was re-arranged with Broily resuming at centre half, Pradley moving over to right half and Kelly, making his debut in the first team, at left half. He had a good match like the rest of the players.

Reserves Review

Our Second Team won their Southern League game at Bedford on Thursday last by a four to one margin. O'Kambach, Harrison, Kelly and Richardson scored.

A 1-1 draw resulted from the visit of Norwich City to the Den on Saturday last.

Luton Here To-day

We extend a very cordial welcome to old friends and rivals in Luton Town this afternoon. Luton, like the Lions, have found it no easy matter to collect points this season, so the game promises to be a well fought affair.

On Saturday next Bury visit the Den, and this attractive fixture should mean a large attendance, for Bury, although not too well placed on the League table at the moment, play very good football. Kick-off is at 3.0 p.m.

* * * * *

Our Reserves are at Northampton this afternoon, and have a Southern League engagement at Chelmsford on Wednesday next, with Exeter City paying a visit to the Den on Monday next.

Spectators are warned not to cross the playing pitch either before or after the game. We issue this warning under Police instructions.
