In one of the most thrilling games seen on the Town ground, Luton gained a great victory over Newcastle United on Saturday. Scoring three goals in the first half, Newcastle thought the game was "in the bag" . . . but there was a hole in the bottom of the bag, and the two points slipped out when Luton put on four goals in the second half! The visitors from Newcastle seen in the above picture were "full of beans" at the start, but quietened down considerably towards the end!—4676B
