

Duggan Shows The Way

LEICESTER CITY	3
Griffiths, Haines (2)	
LUTON TOWN	2
Duggan (2)	

Ted Duggan, making his first League appearance of the season, showed that he has not forgotten the way to goal at Leicester on Monday, and most of those who made the trip from Luton thought he had set the Town on the way to saving at least one point when he obtained his first

That was five minutes after the interval when he broke through the City defence to collect the ball in his stride and blaze it past Major.

His success equalised a snap goal by GRIFFITHS 20 minutes earlier and to be on level terms at this stage was no more than the Town deserved.

The Town's jubilation was quickly turned to dismay, for in the next minute Streten was disconsolately picking the ball out of the back of his net.

HAINES was the scorer and he capped a centre by Griffiths when the Town defenders were standing still expecting the whistle to go for offside.

Appeals were of no avail, nor were they 19 minutes later when Adam crossed the ball for HAINES to scramble it through. Luton held that Adam was off-side and that the centre-forward handled in netting.

Daniel and Driver changed places and in a terrific melee, DUGGAN obtained his second goal after shots by Billington and Driver had been beaten out.

A last minute rally was put out of court when Owen badly cut his forehead in a collision with Revie and was carried off the field.

The Town should have made this game safe in the first half when they were the more impressive side, but the forwards showed a tendency to keep the ball too close.

Daniel had little chance to show whether he can solve the outside-right problem, and both Driver and Waugh were below their best. Billington was handicapped by a bruised toe, and was closely watched by McArthur.

The half-backs were sound, but neither Lake nor Hughes could completely subdue the wingers opposing them.
