CLUB NOTES

By Watchman

MONTH of League football has brought a good return. The Swans are to-day occupants of second place in the Second Division, and it can be claimed that such a creditable position has been the outcome of sound football, with our attack and defence oft-times reaching First Division standard. One has only to recall the calibre of the opposition so far met to realise that there has been no fluke about this rise. Indeed, the Swans have so far played some of the best teams in the division. But the road to success is a long and tortuous one, and a great deal must happen before the championship is decided.

Already we have had our share of injuries and illness, but reserve players who have been called upon have fitted in to the scheme of things splendidly, and there has been no loss of skill. We can with justifiable pride comment on these achievements, the latest of which was at Coventry where the team's victory followed a very fine display of football. Our team is in perfect trim at the moment, their physical fitness being demonstrated by the manner in which they are finishing off their games, for the players appear as fresh at the close as at the beginning.

LUTON'S VISIT

To-day we welcome Luton Town, old Second Division opponents who are now managed by Mr. "Dally" Duncan, for so long a star of the Derby County side.

Whilst we have not fared too well on our visits to the Luton ground, we have invariably had the better of arguments with the Bedfordshire team at the Vetch Field, and hope this afternoon to consolidate our hold on the second position.

Among the Luton players is Aherne, the Eire international who was in the team which met England at Goodison Park in mid-week.

Unfortunately, our reserve team has not found its true form this season, but we hope that soon they will recapture the skill which won them so many points last season.
