#### CLUB NOTES

ANOTHER hard struggle lies before us today, for our opponents, Sheffield Wednesday, are on the brink of promotion and the points from this match are just as important to them as they are for us, although for quite a different reason. The Wednesday's splendid win at home last Saturday, when they beat Leeds United by five goals to two has undoubtedly put them right on their toes and in view of our poor record to date must be expecting to continue the good work in their thrilling fight for promotion. Only three points behind the Club lying second in the Table at so late a stage in the season, especially with three games in hand, will make them fight every inch of the way and so our lads have no easy task in front of them this afternoon. On the other hand the better our opponents the better our team plays and so we can expect to see a very interesting game here today.

Our visit to Blackburn, last Saturday, earned us a very valuable point, but we would not have been granted it if the game had been judged on territorial advantage. In the first half there was only one team in it and we have to thank our heroic defence for being able to turn round at half time on level terms. In the second half our forwards came more into the game and in fact would have won if two chances had been accepted. However we came away with a point in the end and with that, feel very satisfied.

On Thursday afternoon we received a telegram from Jimmy Jinks to say that he had contracted flu' and was confined to bed. This news set the manager thinking for though there were so many things he could do the point he had to decide was which one would be the most effective. As you will see on the centre page he has decided to bring in Jack Taylor and move George Stobbart back to the centre forward position. This will enable Taylor to once more show that, despite his recent stomach trouble, he has not lost any of the ability he was so clearly showing this time last year, and we all wish him a successful return to the senior side. Doug. Gardiner is appearing in the unusual position (for him) of outside left, but in view of

the very good game he had at Northampton last Saturday in that position the manager felt justified in giving Doug, further opportunities to show his worth on the wing. When he was moved to that position against West Ham, last December through injury he showed quite an aptitude for the job and so we hope he will show us this afternoon that he is just as much at home on the wing as in the wing half position. Bobby Wyldes has therefore been dropped for this game but he has done extremely well while in the first team and a period in the reserves in order to conserve his experience gained with the seniors will not do him any harm. We are hoping next season that he will be with us on a full time basis for we feel he would greatly benefit by the extra practice he would then receive.

Do not forget that our next match at Kenilworth Road, which will be on Friday next, will be a League II fixture with Barnsley. The time of the kick-off has been arranged for 11 o'clock as our lads have to catch the 4.30 p.m. train that same day from Paddington for their long trip to Plymouth. The 3.30 p.m. train from Paddington they were hoping to catch, which arrived at Plymouth at 9 p.m., has been taken off and so now they have to catch the later train which does not arrive at its destination until ten minutes before midnight. We play Plymouth Argyle on the Saturday afternoon and then on Easter Sunday the party will leave Plymouth on the 9.30 a.m. train and will not arrive at Sheffield (where they are staying on the Sunday night) until 6.29 p.m. They will then proceed to Barnsley on Easter Monday in time for an afternoon kick-off. and the party will arrive back in Luton at 12.36 on Tuesday (mid-day). On Good Friday the Reserves are playing at Ipswich so that the Manager will have a problem to face should there be any injuries incurred by the first team, for anyone playing at Ipswich wanted for the senior side will have a long trail to get down to Plymouth in time for the match. It will be seen that Easter this year is going to be a very busy one for the players but it is just one of those things in this great game. We would certainly have tried to arrange it a little bit better if we had been responsible for the fixtures but we appreciate it is a difficult task to please all Clubs at the same For SUITS, OVERCOATS, RAINCOATS and UNDERWEAR OF QUALITY
