GELECTION of the Town team to meet West Ham at the Boleyn Ground, Upton Park, te-night, presented no problem to the Town manager, Dally Duncan.

AT WEST HAM

With all the players reporting fit, despite the fact that one or two received knocks against Brentford, he had no hesitation yesterday in announcing an unchanged team,

AS enthusiasm is definitely on the up-grade there will be a big crowd of Luton fass making their way to the West Ham ground to-night to see if the Town can continue their remarkable run of success there.

In the six meetings between the teams in the Second Division, the the up-grade there will be a big crowd of Luton facts making their way to the West Ham ground to-night to see if the In the six meetings between the teams in the Second Division, the Hammers have won only once, whereas the Town have twice earned full points there, and have figured in goalless draws three

In fact, in only one of the six matches have the Hammers managed to find the net, and that was in the 1946-47 season when they gained their only success by

West Ham Were Not Over-Impressive

WEST HAM, I gather, were not over-impressive against Hull City on Saturday and a Town representative who watched the same with a view to setting a line on the Town's prosnects in their meetings with both these teams in the early weeks of the searon, came back in an optimistic

frame of mind.

West Ham finished below the Town last season, and despite the introduction of a new left wing in Foan (Norwich) and Betts (Walsall), both of whom cost size-able fees, they did not look as if they will present too formidable an obstacle to the Town.

Moroney, Fit Again, Returns To The Team THEY had every chance of

winning, for they held a lead of two goals at half-time, but their defence faltered against the craft of Revie and Carter and the dash of Ackerman, the former Clyde centre-forward, for whom the Town were in the market during the close season.

The Hammers will be strengthened to-night by the return of Eire International left.

As both clubs had matches last night. Saturday's line-up will rehalf. Moroney, who passed a fitness test with flying colours vesterday morning and who will re-place Jackman which is the only change in the side.

Parsons Still Out Of The Side

SOME surprise was occasioned by the fact that the England player, Parsons, was omitted from the West Ham team for the open-ing match, but Manager Ted Fenton told me yesterday that he ex-pects him to be back in the team shortly. "He has not been quite himself recently," said Ted. In recent matches between the Town and the Hammers, Parsons

has been the most dangerous for-ward, and the Town will not be sorry that he is out of the line-up to-night which is: WEST HAM: Gregory; Devlin,

Yeomanson: Parker, Walker, Moroney: Woodgate, Gazzard, Robinson, Foan Betts. LUTON TOWN: Hughes: Cooke, Aherne: Watkins, Owen, Shanks: Glover, Taylor (J), Stob-bart, Whent, Wyldes,

Blackburn Have One

Against the Town, they are hoping to be unchanged, but there in some doubt about the fitness of their left half and captain, Bell, who received a kidney injury against Brentford.

Should he be not fit, the deputy will be Horton, who played inside right against the Town at Blackburn last season.

Todd From Doncaster Is Only Newcomer

OTHERWISE the team will be the same as that which has done duty in the two previous

Patterson; Gray, Eckersley; Campbell, Holt, Bell; McCaig, Crossan, Graham, Todd, Priday. Newcomer is Paul Todd, the former Doncaster Rovers inside left, for whom Blackburn parted with a big fee during the summer. He is a very clever inside for-ward, and is now playing under Jackie Bestall's managership for the second time, for the old Grimsby Town star was in charge

at Doncaster before moving to Ewood Park.

The former Manchester City winger Jackie Wharton, who has been on the injured list, is to have a try-out with the Reserves on

Arsenal Reserves Are Here On Saturday

FOR the Reserves on Saturday is the most attractive match of the season when Arsenal are the visitors in the Football Combination and they will be expected to

but the Town will definitely be without Billy Havenga, who went into hospital yesterday with suspected appendicitis.

His deputy against Northamp-ton last night was the young Scots winger, Michael Cullen.

The First Sample Was Pleasing

VERY well pleased with their first sample of the Metropolitan League were the Town "A" after their trip to Hastings on Saturday.

Again, this week, they are due on the south coast when they visit Hove, and are hoping to have substantially the same side that

This will be dependent, course, on the needs of the Town's League and reserve reams and the injury position following the mid-

week matches. One Vauxhall Change

For To-night's Match ALTHOUGH Vauxhall Motors were rather heavily beaten at Yiewsley on Saturday, they are Team Doubt making only one change for their first home match of the season against Wolverton Town in the spartan League (Premier Division) to-night.

MORE WINTER BEEF

IN AUTUMN, when supplies are heaviest and prices lowest, many home-bred steers and heifers are sent to market unfinished, and so grade-out low and fetch low prices. Fed through the winter such cattle should grade-out higher and fetch higher prices when marketed in early spring.

Here's a Simple Example

A 10 cwt. besst on October 9, grading A minus, will be worth £47.12s. 6d. Done reasonably well, on February 1 this beast should weigh 12 cwt., and grade-out Special, so fetching £68. 14s. - over £21 extra in the farmer's pocket.

Rasy Feeding — Easy Housing

Oilcakes are short, but silage is a good substitute. Home-grown corn, sugar beet tops and beet pulp all reduce the need for other roots.

Housed in temporary yards - so needing little attention - cattle kept back for winter feeding provide additional valuable muck, besides earning

First Spartan League Game For Amateur

THE season begins for Luton Amateur's Spartan League side on Saturday when they pay a visit to Amersham, who finished midway up the table last season.

As the Amateur were similarly placed at the end, this should be an evenly fought match. The team will not be selected until later.

On Wednesday, the Amateur play their first home match, against Biggleswade Town, who have been transferred from the Eastern Section of Division I to the Western Section.

Dunstable Town Make Six Changes

FOLLOWING their swamping by 8-1 by the champions St.
Neots and District in their first match in the Metropolitan League, Dunstable Town are making six changes for their home match with Headington United on

Saturday.

Last week. Headington best

Their team will be: Williamson; McCulloch, Harris; Kirtley, P. Clark, D. Clark; Mason, Adams, Kin-near, Mailin, Bates.

Bedfordshire's Chance

Of The Title THERE is an interesting posi-tion at the top of the Minor Counties cricket table in which Bedfordshire hold second place with an average of 6.42 against that of 6.60 by the leaders, Surrey

Bedfordshire have only one more match to play, against Buck-inghamshire at High Wycombe, starting next Wednesday, whereas Surrey II. have three outstanding games, against Cornwall, Devon

By winning their two remaining matches. Oxfordshire could "pin" Bedfordshire, and yesterday, secretary, Frank Crompton de-scribed the position as "very

However, it would seem that Bedfordshire have a reasonable lenge match.

Glyn Owen In Minor Counties XI Again

GLYN OWEN, whose all-round form for Bedfordshire this season has had much to do with their success, has again been chosen to play for the Minor Counties XI in their match with the West Indies at Norwich on September 6, 7 and 8.

Owen was one of the successes of the team against the M.C.C., for he made a splendid half-century in the second innings, and he clinched his claims during Bedford cricket week when he took 20 wickets.

His selection for this important match represents a major honour for both the Bedfordshire and

Luton Town clubs . County Players Back

The Motors made several changes in defence from inst season's team and the accent was on youth, Alan Earnes, gave a very good display at left-half, and J. Worker and N. Chappin also did well

Yiewsley justed the race better, and this was the deciding factor. Starting at a cracking pace, Yiewsley were soon pressing and Worker was quickly called upon

After a fairly long-settling-down period. Vauxhall becar to attack, and the home goalkeeper made good saves, from James. Marriott and Morgan. Yiewsley then struck their best form, and Worker was beaten four times.

League Great Start

By The Old Boys

The Luton team, littchin-road Old Boys, made a great start to the senson in the Frencier Division of the South Midhards League when they gained a convincing win over their old Division I rivals. Stemy Strai-

LUTON TOWN 2. BRENTFORD 0

Until the closing minutes of this match at Kenilworthroad on Saturday it looked as if the "horses for courses" theory was to go astray, for Brentford, who have never escaped defeat on this ground in the Second Division, were holding on grimly to the point that seemed to be within their grasp. Then the unorthodox succeeded where the orthodox

had failed, and a sudden switch by Glover to the opposite wing paved the way for the Town's first goal nine minutes from the end.

There did not seem to be much danger when Whent, on the left, gained possession of the ball, and pushed it down the wing as he saw Glover, who had forsaken his own position temporarily, awaiting the pass.

Glover went on quickly, tricked Monk cleverly and lifted in a high centre that Jefferies could only push away to TAYLOR, who promptly headed the ball into the

Glover went on quickly, tricked Monk cleverly and lifted in a high centre that Jefferies could only push away to TAYLOR, who promptly headed the ball into the net.

That ended what had appeared to be stalemate and put out of court the possibility, or probability it was by then, of a goalless draw which was such a familiar result for the Town last

There was not much fear of Brentford mounting a successful rally after that, and it was no real surprise when the Town scored again with two minutes to go.

Once again, the ball came over from the left, this time from Wyldes, and WHENT coolly and

very good form consistently, will solve a big problem.

Wyldes looks as if he can do the same, for he was very much in the picture on the left wing and although Stobbart received few chances after the opening stages, and there were times when Glover, though very clever, was not direct enough, the line, as a whole, seemed a more potent whole, seemed a more potent striking force than was the case for most of last season.

The middle line was a strong department, in which both Watkins and Shanks shone in defence and gave good support to their forwards, and Owen effectively commanded the middle of the field. Cooke was not so decisive in

Flitwick F.C. will be captained this season by C. Lancaster, and R. Morris will be vice-captain. This was decided, by vote, at a general meeting of the club in the Cadet Hut on Monday. Northampton W.E. was a suggestion that players now resident in Flitwick a bould be allowed to join the club. This amoton W.E. 26. Club members are optimistic of good season, and they hope to be among the honours at the end of the season.

Highlight of the game for 6,000 spectators though was the brilliant goatk teping of Streten, who showed that he is right back to the form that earned him England honours test In one breath-taking spell of a few minutes just before the in-erval, he made a series of out-tanding saves that brought the

Smooth Blend In "A" Attack Hastings United Reserves 0, Luton Town "A" 5

With every player pulling his weight and always trying to play constructive football, the Town "A" made a highly successful start to their career in the Metropolitan League belore 2,000 spectators at Hastings. Once they had settled down, tire

Town's young team got well on op and in the last half an hour, Hastings were over-run.
Hastings put up a good fight in
the first half when the Town lead was kept down to a goal scored by TURNER after 15

After the interval, the Town forwards combined brilliantly and in the space of 25 minutes, goals came from BAXTER CULLEN. TODD and TURNER.

Johnston, the Vauxhall smateur, in goal made some grand saves and was well covered by Thompson (J) and Aherne (W). Both Turner and Gardiner used the trall splendidly and Gardiner's experience was a great asset to the team. Smith, a strong stopper, completed a sound defence.

A smooth blend in attack was quickly achieved with both Groves and Baxter supplying cleverness and marking and complete and
