ACCEPTED A NEW OFFER YESTERDAY

Tommy Kiernan will be at inside-right in the Town's team to meet Sheffield United at Kenilworth-road

This was the rather surprising news from the club vesterday, when Kiernan accepted new terms offered him and re-signed.

He began full-time training with the rest of the players vesterday morning, and so keen is he to get into perfect trim by Saturday that he was back at the ground in the afternoon for another training spell.

Met The Directors On Tuesday

THE Town secretary, Phil Coley. said yesterday that Kiernan Board so as to have his position side right, clarified, and he appeared before Tuesday when the position was discussed again.

Idea behind the Town's original

offer of lower terms than he was receiving last season was, as was the case with others who have left during the close season, to find him a new club. It was never their intention to keep Kiernan out of the game for

so long, but despite a number of rumours in the past few weeks, negotiations for his transfer have come to nothing. Experience Will Be

Of Great Value

AS time went on, the Board felt that it was not fair that Kiernan should go so long without wages, which has been the case for the last six weeks, and they made him an amended offer of increased terms on Tuesday. Those he accepted, and everything has been smoothed out tisfactorily on both sides.
