CLUB GOSSIP by "Observer."

A Clever Schemer.

Having won three games off the reel we hoped to continue the good work and account for Brentford at Oakwell on Wednesday night but we were defeated by the odd goal in five.

Brentford are our bogey team. We have met them nine times and we have never beaten them. They have won five of the games and the others have been drawn. Last season Brentford were one of the three teams who took four points from us.

Wednesday night's game was played under terrible conditions and the shocking Photograph by courtesy of the Editor of the "Green Un" "gate". The 15,000 who did brave the elements could not expect anything like accurate football, yet both teams deserve praise for the manner in which they fought against a strong wind and continuous rain.

True, passes did not always go where they were intended but under the prevailing conditions the game was not without interest. We have no excuses for our defeat. Brentford are a good side and at times appeared a wee bit quicker on the ball. Taking the game as a whole, however, there was little to choose between the teams.

McMorran, who played a storming game, had no luck with his shots and we might have had at least another penalty in addition to that from which McCormack scored.

Supporters will notice that this season's programmes are numbered, and spectators who are not season ticket holders are advised to cut out and retain these numbers each week. Then, when making application for Cup-tie tickets, they can enclose the programme numbers as evidence that they are regular attenders at first and second team matches.

Special provision has been made for season ticket holders.

It is many seasons since Pallister was among the goal scorers. His goal on Wednesday night was cleverly obtained, the full back lobbing a free kick over the heads of a lined up defence and into the net.

Next week we have two stiff games—both away. On Wednesday night we play the return game with Brentford and at the weekend we go to Elland Road to oppose Leeds United.

Congratulations to McMorran on his selection to lead Ireland's team against The Army, at Belfast, next Wednesday.

Wolverhampton Wanderers Juniors, who are doing well, will be seen at Oakwell on Monday night in a Northern Intermediate League game (Kick-off 6 o'clock).

OUR VISITORS.

Luton Town, whom we welcome to-day, have made only a moderate start but have been troubled with injuries. They have collected only three points from six games.

Hull City were successful at Luton on Wednesday night and taking a line through them our team should be capable of returning to the winning path to-day.

Luton, who finished below Barnsley in the League table last season, have on their books noted players in Streten, who has kept goal for England, Aherne, left back (Irish International) and Stobbart, the former Newcastle United forward.

We confidently anticipate a good game and a satisfactory result.

KNOW THE GAME.

Throw-In

When the whole of the ball passes over a touch-line, either on the ground or in the air, it shall be thrown in from the point where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched it. The thrower at the moment of delivering the ball must face the field of play, and part of each foot shall be either on or outside the touch-line. The thrower shall use both hands and shall deliver the ball from over his head. The ball shall be in play immediately it is thrown, but the thrower shall not again play the ball until it has been touched or played by another player. A goal shall not be scored direct from a throw-in.

Punishment,

- If the ball is improperly thrown in, the throw-in shall be taken by a player of the opposing team.
- If the thrower plays the ball a second time, before it has been touched or played by another player, an indirect free-kick shall be taken by a player of the opposing team.
