CHANGES MADE IN **FOUR POSITIONS**

Arnison Plays

For the first time since December 27 last year, the Town will have Billy Arnison in their League side when they visit Bury at Gigg-lane on Saturday.

During the last ten days his knee has stood up to all tests, which have included outings in the " A " team and Reserve team, and despite a hard match at Leicester on Saturday he required no treatment during the week-end, and was again impressive in the weekly private trial match on Tuesday morning. All concerned, the officials, the Now, he has scored in each of

confidence in his finishing.

finally broke down.

Chance For Morton

Weight And Drive

medical men and Arnison hinself, are happy about the position and the manager, in view of all the encouraging reports, has not hesetated to choose him for the insidelets position on Saturday.

That causes three positional changes, as the result of which, Wally Shanks, after 24 consecutive marches at left-balf, loses his place and will travel with he team as twelfth man.

New Positions For These Three

THE resputtie involves the entre-forward, Bob Morton from centre-forward to right-half, and Charlie Watkins from right-ball to

An these switches have been tried before at some time or another and, of course, Stobbart has led the attack five times already his season

Many people consider this to be his best position, but he just could not get among the goals during the early weeks of the season.
