BRYN ELLIOTT—Wing half-back, was born at Beeston, Notts., and started his professional career with Nottingham Forest. Bryn was transferred to Southampton from Boston United in October, 1949, and since becoming a "Saint," he is making his mark in Second Division football.

CLUB NOTES

We came through even on our away matches over the Christmas holiday. The boys put up a grand show at Sheffield and well deserved their 2—1 victory, on Boxing Day at Brentford, however, the team had one of their off days and did not adapt themselves to the sticky ground conditions so well as the Brentford side. Many mistakes were made which resulted in goals against.

Our position at the top of the Second Division was very short lived, but we are now in a very handy position and still have a good chance to finish in the first two places. We are rather in trouble with our goal average, and must endeavour to get more points than our rivals.

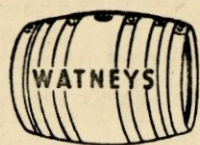

The Reserves did well over the week-end obtaining four points out of six. On Saturday we lost against West Ham by the odd goal in three, on Christmas Day we beat Charlton by three goals to two, when we had nine different players from those fielded on the Saturday. On Boxing Day we defeated Brentford by four goals to nil, and in this game we fielded six different players from those appearing on Christmas Day. This, you must agree bodes well for our reserve strength.

On Saturday next we make our entrance into the F.A. Cup when we play away to Notts County in the Third Round.

Will all Supporters please note that an excursion train will depart from the Southampton Central at 7.35 a.m., arriving Nottingham at 12.35 p.m., and returning at 11 p.m. Please apply to Mr. Poole of 69, Clifton Road, Regents Park, for further particulars. Applications for stand tickets for this game should also be made to Mr. Poole.

We extend a very hearty welcome to our visitors from Luton today, and hope a very good game will result.
