

Luton's "Marathon" With Brentford

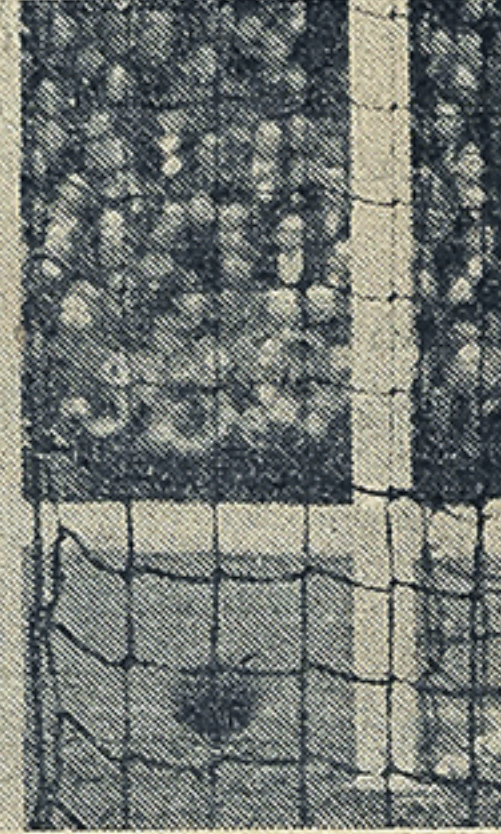

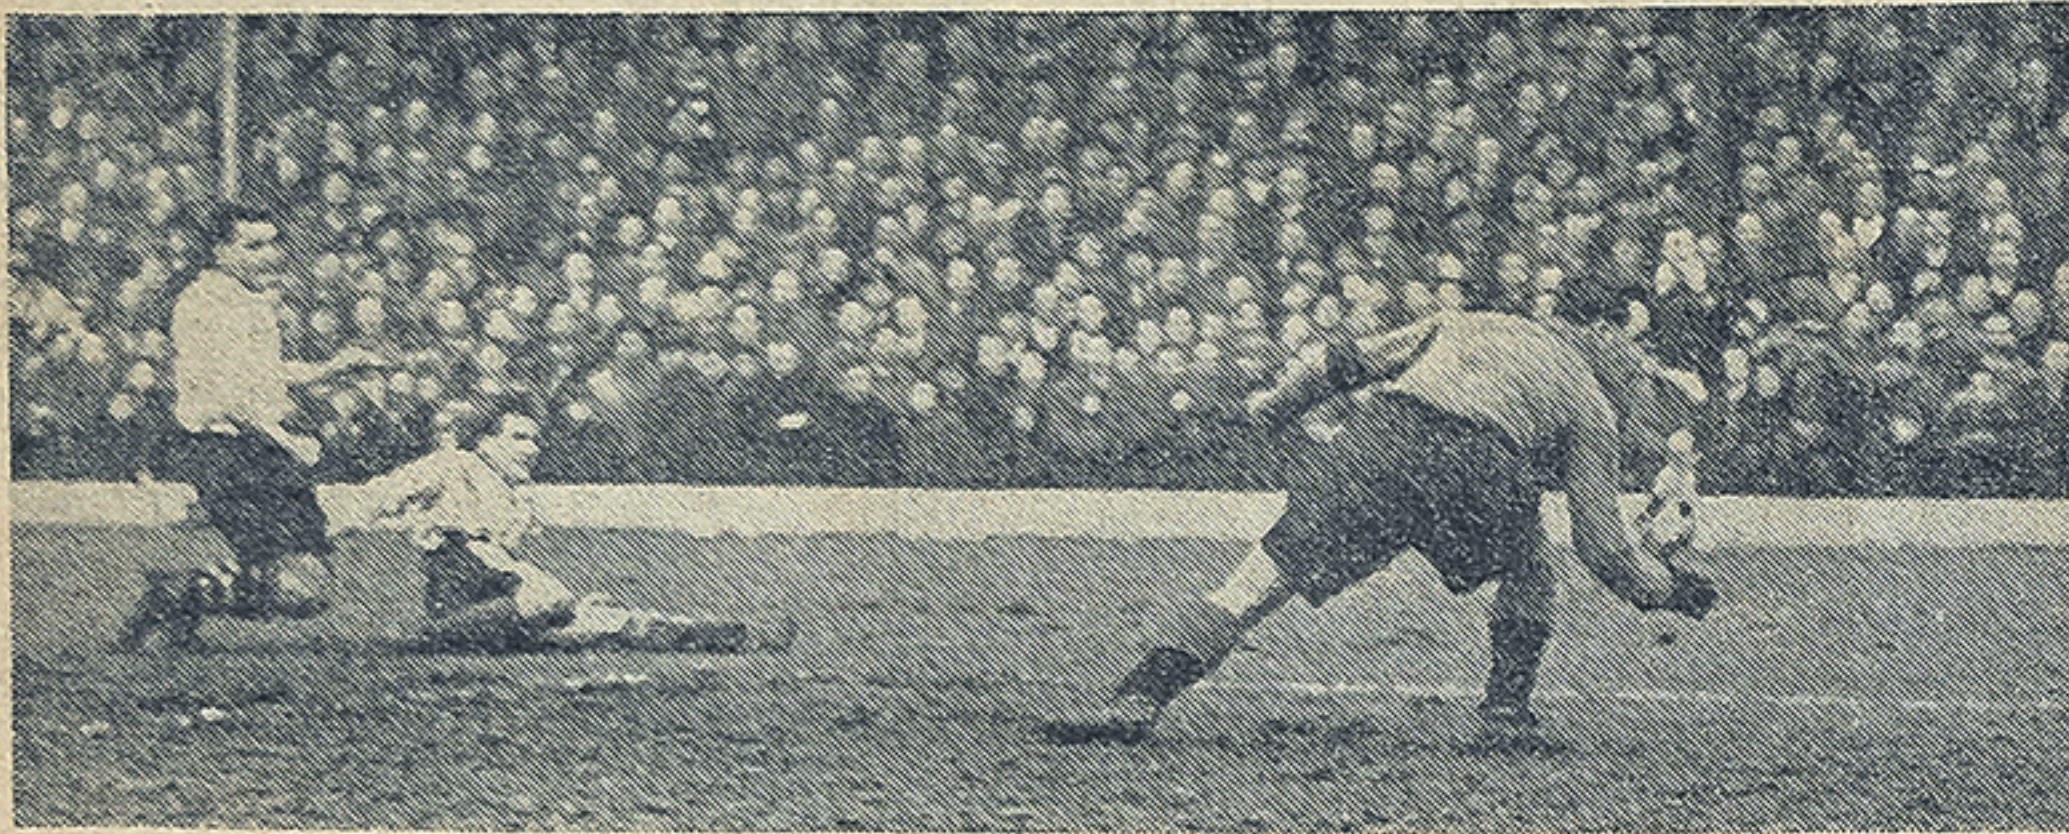

Pause of silence to the memory of King George VI, whose death was announced three hours before the Cup replay at Brentford. Directors of both clubs went to the centre-field for the tribute. After 210 minutes—120 of them on Wednesday at Griffin Park—Luton and Brentford are still disputing right of entry into round five. In the mid-week goalless draw, both goals had narrow escapes, and here is one of them—a mix-up in the "Bees" goal area, with Hill clearing his lines. R3390G

Phe-e-w! They Said

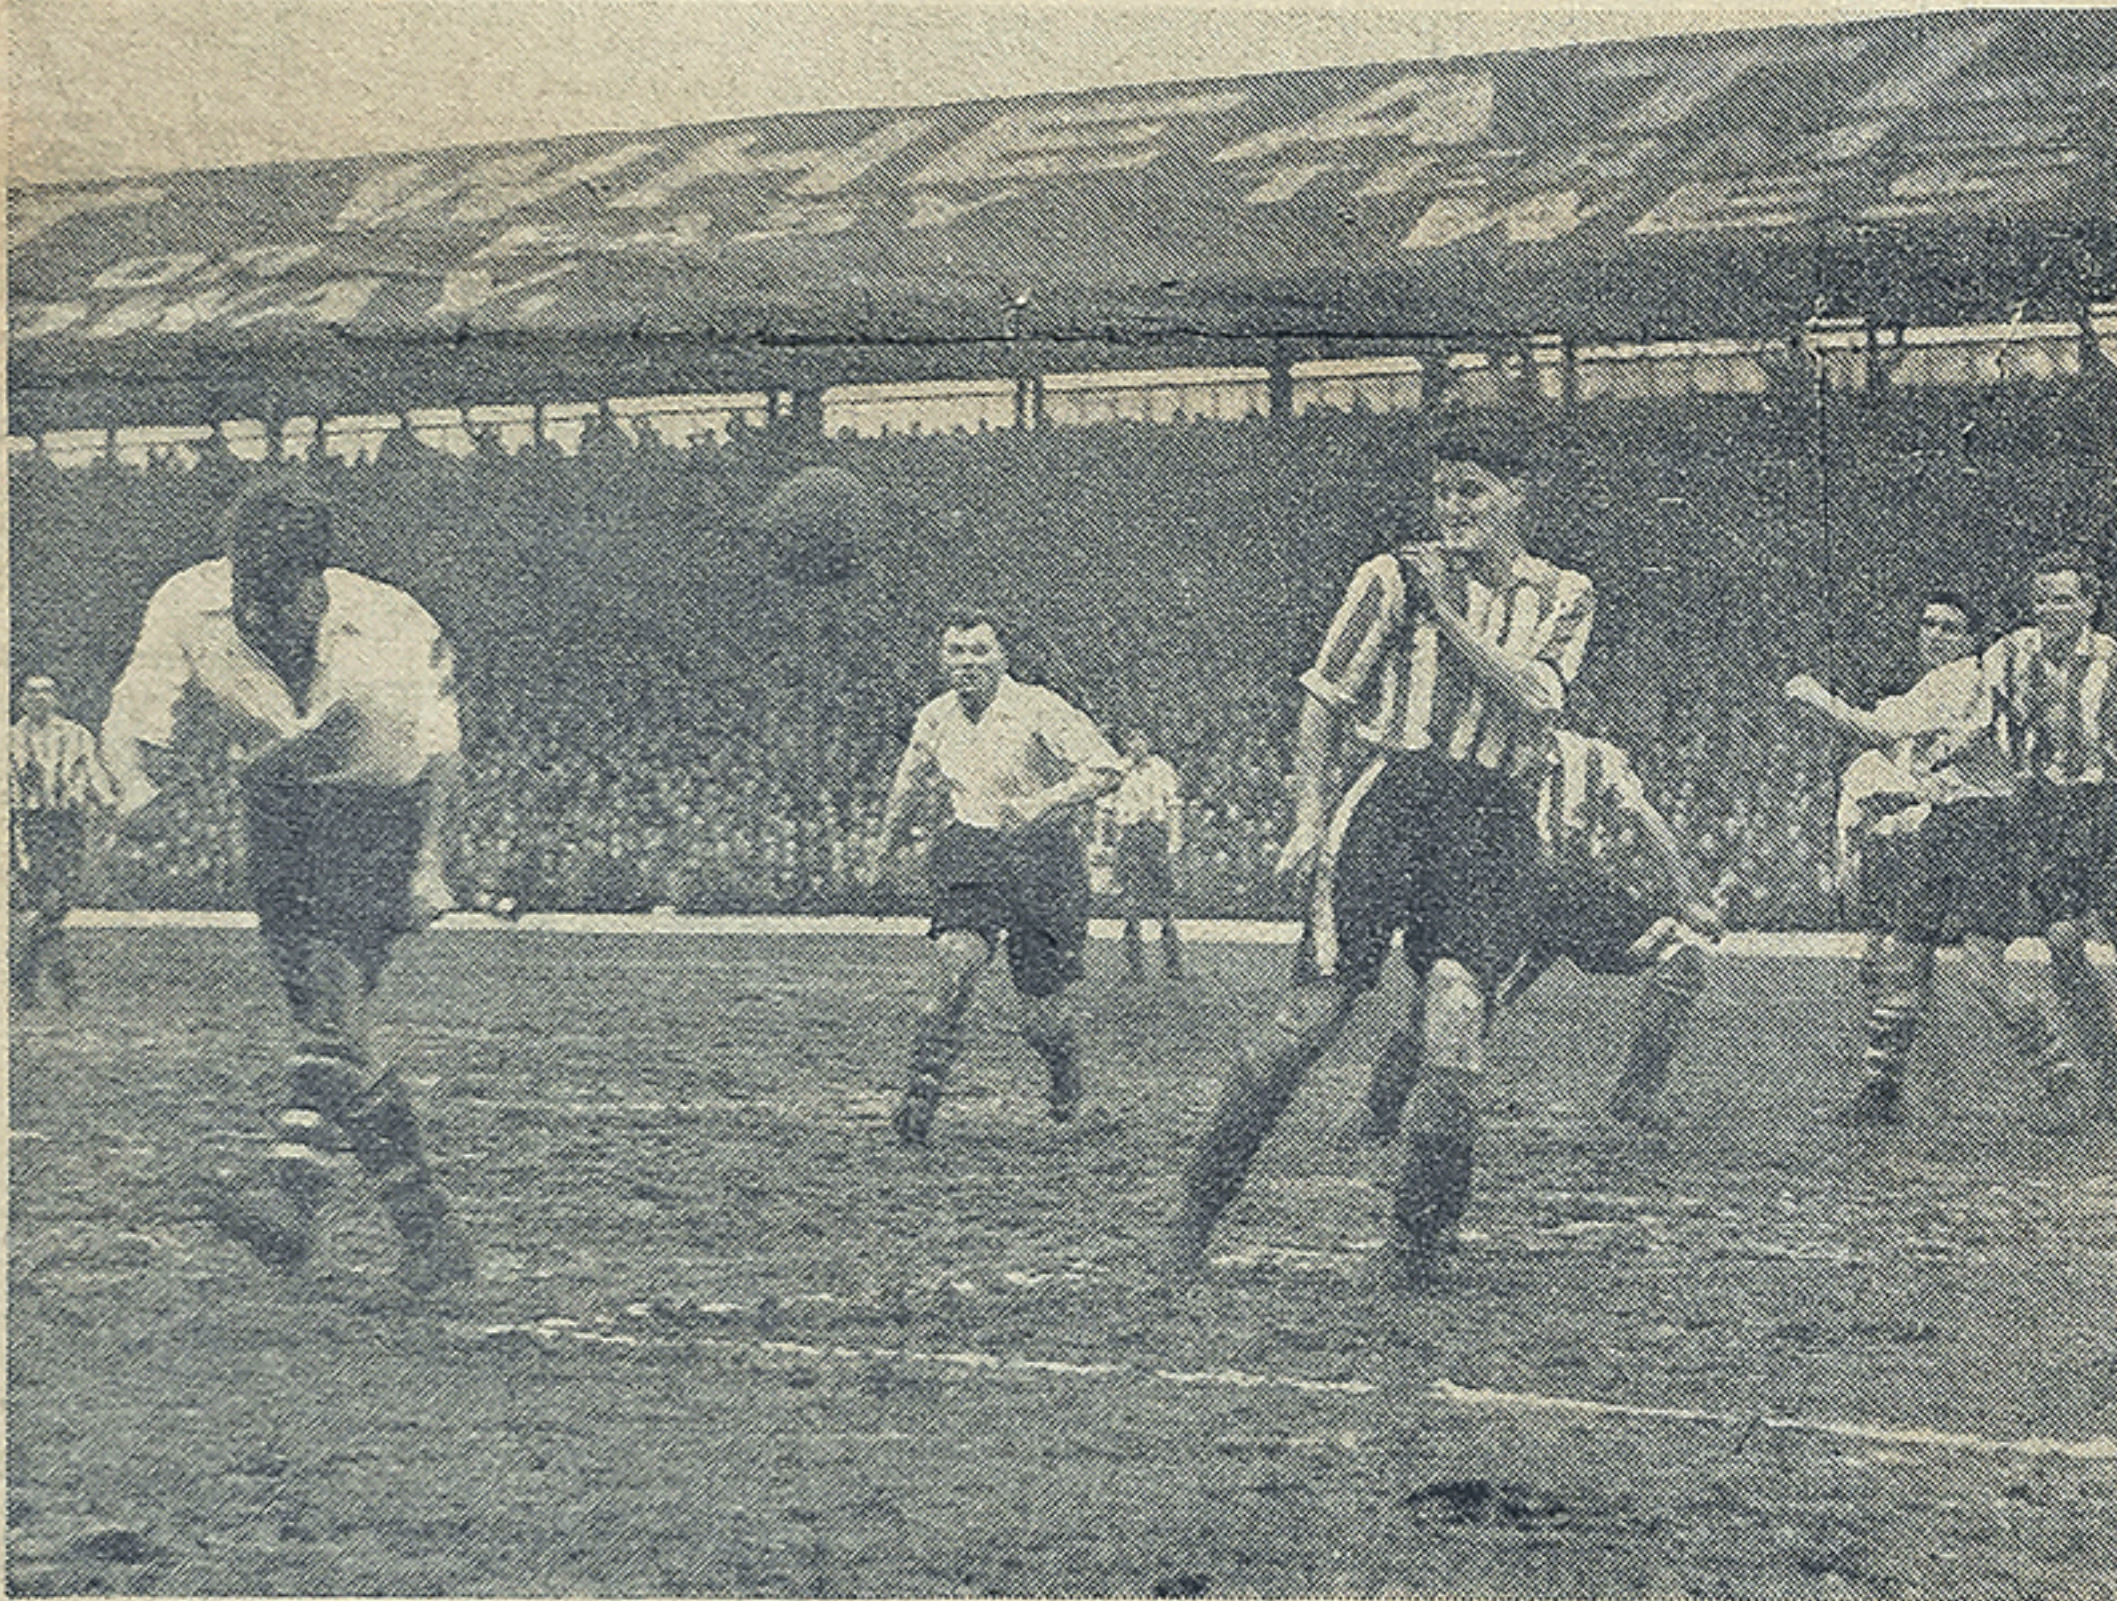

One of those "Phe-e-w!" moments for Brentford supporters. Taylor shoots, and the ball flashes past the post. R3702G.

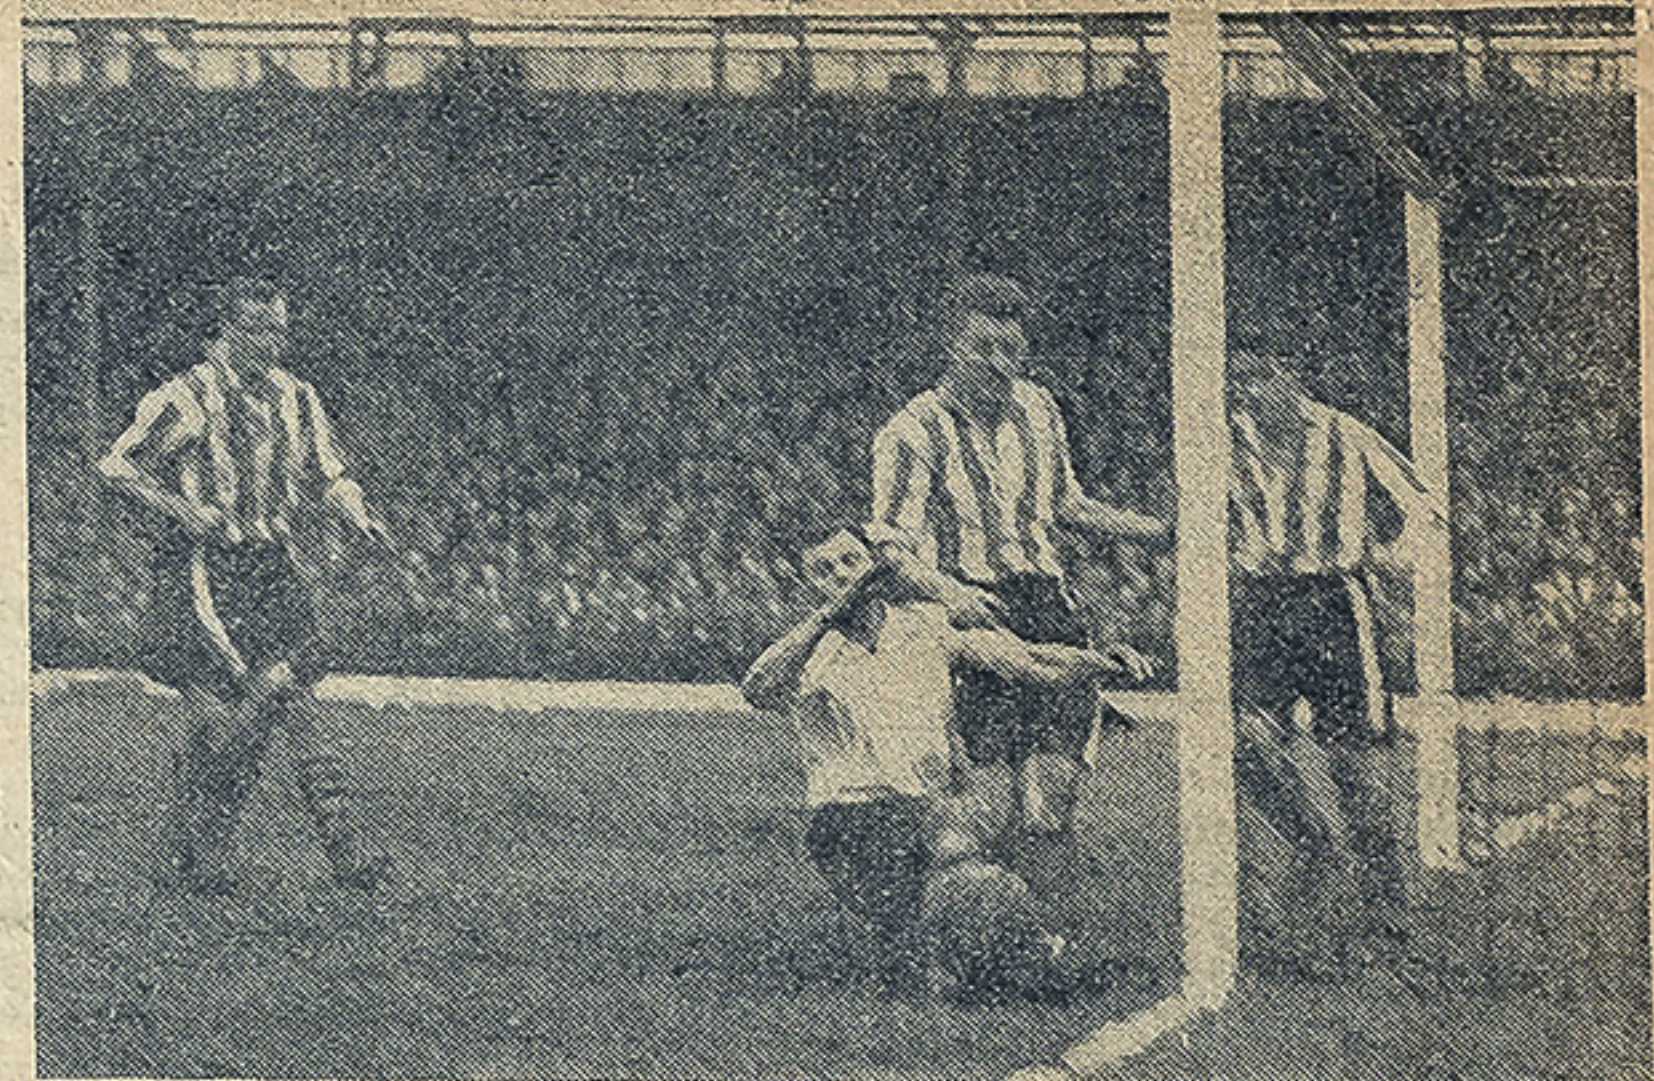

Sturdy Brentford defender was Hill, here seen getting his head to it from Turner's centre, and with Davies in close attendance. R3395G

So Near And Yet...

A good effort by Davies to head through from a corner by Turner, but once more the tight-packed Brentford defence averts danger. R3704G

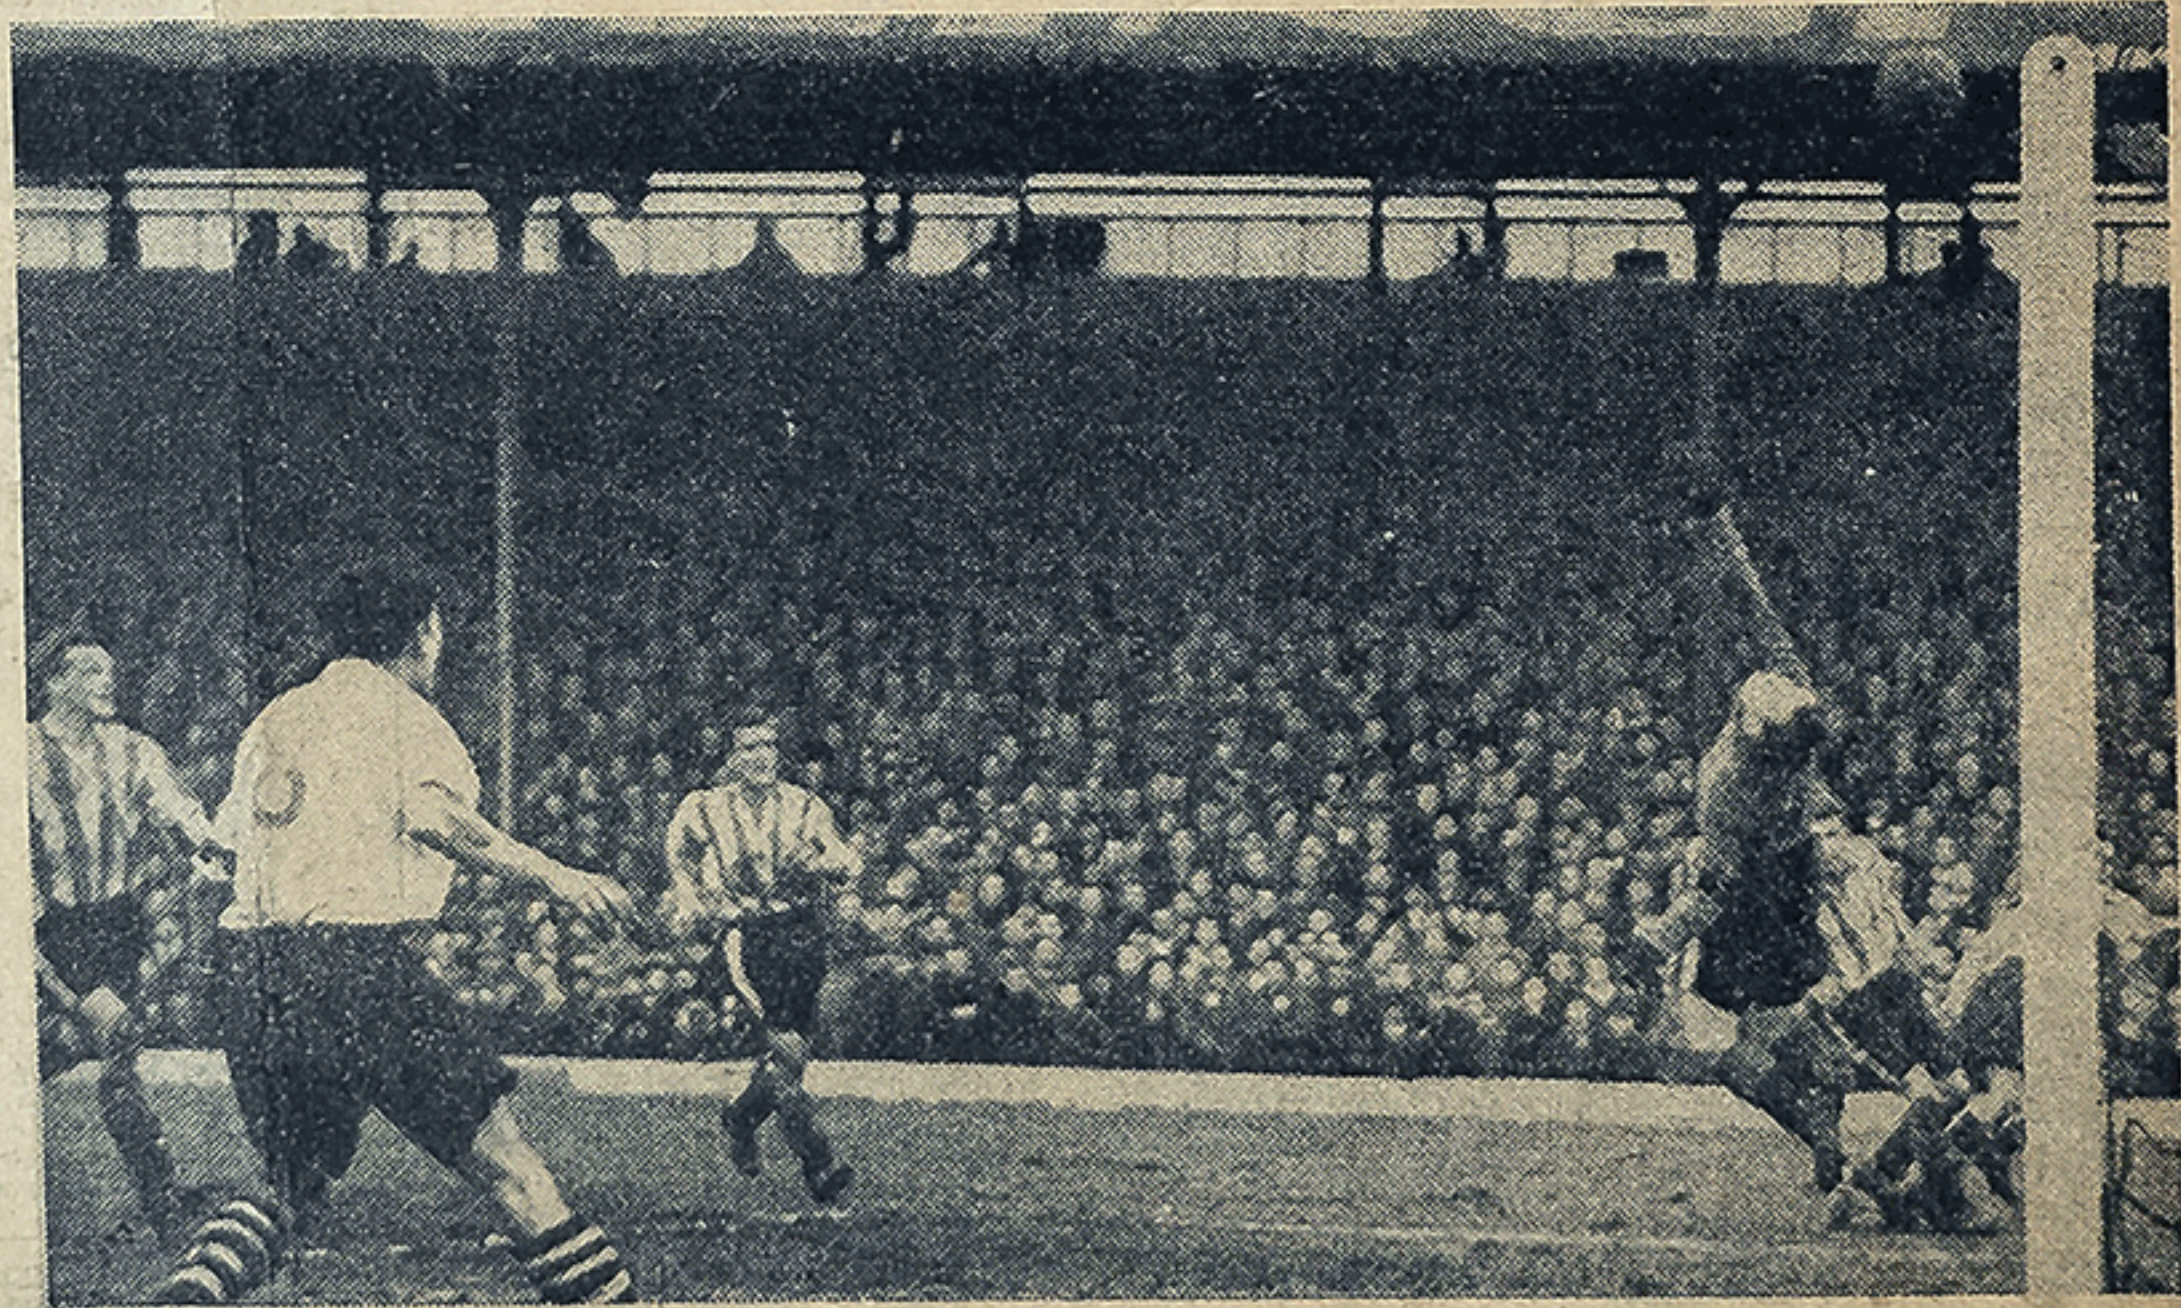

FOILED!

Just before the end—Stobbs making a valiant effort to connect with the ball in a sliding fall. It only just failed. R3705G

That Look Of Determination

"...and, not pass" expression of goalkeeper Gaskell as he falls on the ball just in time to prevent Stobbs getting in a shot. R3706G

Gaskell in the picture again. He got his finger-tips to a high centre from Mitchell—to the frustration of the Luton attack. R3703G
