

DOOLEY BEATS RECORD: WEDNESDAY TOP

SHEFFIELD WEDNESDAY'S 4-0 defeat of Luton Town takes them to the top of the Second Division on goal average.

Wednesday had the more effective forward line, Jackie Sewell being the power behind their attack. Luton's defence just could not cope with his ability to make openings.

Derek Dooley, who scored twice had Sewell to thank for the opportunities that allowed him to break the Wednesday goal-scoring record previously held by Jimmy Trotter, trainer to England's team at Hampden Park.

Trotter's record was 37 League and 2 Cup goals. Dooley has now 39 League and one Cup goal obtained in only 25 appearances.

Dooley was well held by Morton. Luton's centre-half, but Sewell managed to draw him away from the middle to allow Dooley in for his goals.

Sewell gave Wednesday the lead in 20 minutes after a sharp interchange of passes down the middle.

Opportunist goal

Dooley put Wednesday two ahead after 38 minutes, a pass from Sewell leaving him with an opportunity to go in at great speed to beat Streten for the ball as the goalkeeper came out.

Seven minutes after the interval, Rickett put in the third from a centre by Froggatt, while Dooley scored his second goal after 56 minutes.

Luton's football was good up to a point, but their forwards rarely troubled McIntosh. His most difficult work came in saving two shots from inside-left Sexton.

Leading Division II positions are:

	HOME Goals					AWAY Goals					Pts
	W	D	L	F	A	W	D	L	F	A	
Shef. W.	13	2	3	49	20	4	7	7	39	40	43
