OF course, everyone knows that Morton can do at centre-half and apart from the fact that Jezzard got the ball quite a number of times in the air during the second half, he shut out the centre-forward who had little or no chance of getting among the scorers.

In fact, taking the defence through, there was little cause for concern.

I UTON'S scorers were Mc-Jarrow (2), Taylor Moore, while Burns, a former Swansea player, obtained Southend's solitary point.

Although McJarrow hit two goals he was guilty of some extremely erratic finishing and missed two open goals.

Bernard Moore was their best forward and he started many good moves, and was rather unlucky not to score more than

In defence. Leslie Hall gave a fine performance and Kelly used the ball well. Baynham, as usual, could not be faulted.

Beaten After Making 209 For 6

IT must have been something of a shock for the Town C.C. to declare at 209 for six when they visited Aylesbury on Saturday and then find themselves beaten by eight wickets.

Main contributors to their total were Bruce Satterley who made 56 and Doug. Randall and Vernon Colling, each of whom got into the 40's. Surrey player, Tom Clark, was dismissed without scoring.

Aylesbury had a second wicket partnership of 90 and the next pair put on 93 without being separated.
