#### Waiting List For Season Tickets? THAT reward, plus the fact that

every professional on the books has been placed on the retained list, is a very adequate way of expressing the club's satisfaction with the excellent results achieved this season. Following in the wake of

success comes a decided increase in the number of people who want to become season ticketholders for next season, Judging by the demand being made thus early it seems likely that the club will have something new in their experience-a wait-

ing list of those who want season tickets.

#### Holders Should Not Forget The Date AT the moment, season ticket

accommodation is limited to 1,000, of which number well over 900 were taken up last season. To extend the existing accommodation may be difficult and it

could be that the club will not be able to cope with all the new applications which are being received by every post. Naturally, previous holders are given preference and they have

until June 15 to take up their tickets again. In view of the rush, they will be well advised not to forget the date. But the whole position has yet to be examined by the Board.

#### Senior Cup Success Is Overdue THE winning of the Bedfordshire

Senior Cup by a team from this end of the County is overdue, but Vauxhall Motors have a great chance of doing so on Saturday when they meet South Midlands League team, Shefford Town, in the final at Bedford. It is seven years since Vaux-

and Cup doubte after beating Totternhoe in a play-off for the champlomhip of Division 1 of Luton and South Beds League are Glendale. They have the chance to complete it on Saturday, when they meet Clapham Sports at Leighton in the final of the Bedfordshire

Intermediate Cup.
Surprising part of their success on Saturday was the ease with which they achieved it, for no one expected them to account for Totternhoe, their neck-and-neck rivals most of this season, by a margin of anything like 10 goals. Totternhoe have been leaders of

the Division for most of this season and were keenly disappointed at their showing. Their comment on the match is as follows, "Glendale were worthy winners and we were outclassed right from the start. We con-gratulate Glendale on the good football they play."

Scorers for Glendale in their

10-0 win were: Knapton (2), James (2), Jones (2), Crawford (2), Kelly and Aylesbury. Other results last week-end were:

This was particularly noticeable in the second half, when scrappy play was the order of the day, and the number of co-ordinated attacks could be counted on one hand. G. MINALL, an amateur, who

has been scoring goals regularly with Hockliffe's Luton and District League team, opened Luton's account when he headed home a corner from Roy Davies. However, Minall, although he did a lot of chasing, did not look ready for this grade of football. Before the interval another amateur, LOASBY, increased the Town's lead, but soon after the

reduced Hasting's arrears when he chased a loose ball and banged it past Williams.

#### There were few surprises in the South Midlands League's hectic end-of-season programme, but there were some. Chief of these was in Division II where Skefko Athletic went down 1-3 to Baldock Town, How-

ever, this defeat did not worry

Skefko very much for they finished the season at the top of the table two points in hand of their nearest rivals and they have tasted defeat only twice. Arlesey Town proved them-selves worthy champions of the Premier Division—they are title-helders for the second consecu-tive year—by taking three points from their last two matches.

Against lowly Harrold United they crashed home 11 goals but Ampthill Town managed to prevent them from scoring and collected a point from a goalless draw. Without a doubt Ampthill were one of the most improved teams in the League and may oc

in the hunt for honours next sea-

Biggleswade took things easily against Histon in their last match in Division I and went down 5-0 but they, too, were sure of pronotion before the game and are four points in front of Cranfield United, the second team. Luton clubs did quite well in his League this season. Skefko this League this season. Skefko won the championship of Division

II and Davis and Kent's Athletic

finished in the top half of the table
In the Premier Division Kent's
Athletic were well in the running for honours until they met with a bad patch three months ago and Electrolix finished in fourth place in Division I. FINAL RESULTS PREMIER DIVISION AC-Delco 2, Shefford Town 6 Harrold Utd. 0, Bedford Corinthians 2 Kent's Ath. 5, Stony Stratford Sports 1

Fine Win By Vauxhall Over Bedford Town

TOWN CRICKETERS'

Luton Town C.C. has certainly made a good start to the cricket season. On Saturday they recorded their second victory when they beat Hitchin Town recently promoted to Luton first team's fixture list

-and on Sunday they beat R.A.F. Henlow. In fact it was a good week-end for local cricket for Vauxhall Motors also won twice and on Saturday they did particularly well to triumph over an extremely useful Bedford side.
