#### CLUB NOTES =

WE did very well indeed to return from Boothferry Park last Saturday with maximum points, for Hull had been showing greatly increased form lately and a sterling effort by Tottenham Hotspur in a Replay with them in the Fifth Round of the F.A. Cup at White Hart Lane earlier in the week was required before the Spurs passed into the next Round. And even then the "Tigers' felt they had not received proper justice for they were fully convinced they were entitled to a penalty in the closing stages of that Replay. Whether we met Hull on some sort of rebound after that match we do not of course know, but this is not going to deter us from giving all our lads full marks for a very workmanlike performance in beating them. Sid Owen's ankle had not responded to treatment from the injury he received on the Wednesday in the Floodlight Match with the Brazilians and Les Hall was hurriedly called in on the Friday morning to fill the breach. Right nobly did he fulfil his task too, after a somewhat cautious opening ten minutes he did not put a foot wrong. Johnie Downie scored a very neat goal early in the game, and near the end when we were all feeling very pleased with ourselves that we had held this team to a draw on their own ground, lo and behold, Wally Shanks comes along with a picture goal with only three minutes to go. It was from a very nice pass by Mike Cullen practically along the edge of the penalty area from the right that Wally ran on to and with his left foot hit that ball first time. It was a goal all the way, it went in with such force.

Although the winning goal was scored by a half-back, which appeared again that the forwards were lacking, such was not the case in this match. How the Hull goalie kept out four shots just before half-time only he himself knows. Each one of them would have beaten nine goalkeepers out of ten, especially the first one from Roy Davies and the last one from Gordon Turner. Mid-way through the second half Joe Scott who, incidentally, played a very intelligent and effective game, headed the ball just wide of a post with the goalkeeper helpless—an effort which fully deserved to have his name included in the scorers. The forward line knitted together very well—there was some very nice football from them at times, and what was most pleasing to see was the fact that the ball was rarely passed backwards. Last time we scored two goals in one match was against Plymouth at home in the first match of the new year. If this forward line can escape injury we feel sure our goals "for" column is going to be greatly improved.

Our Reserves were also putting up a very fine performance away from home last Saturday when they held a strong Norwich City Reserve side to a draw. As West Ham Reserves lost to Leicester City Reserves that day we now find ourselves only one point behind the leaders, although they have a game in hand. This is most creditable for at times we meet some very stiff opposition in this League. Go to it lads and see if you cannot pull off the feat of winning the Second and First

Division Championships in consecutive seasons. Your play lately has certainly given us rich hopes of such an accomplishment.

We must not forget our illustrious visitors in all this well-earned praise of our two senior teams. Notts. County are another side which has shown much improved form lately, and as their last three appearances on this ground have met with disastrous results, together with the fact that we beat them by two goals to one at Meadow Lane last October, they no doubt come here today determined to put an end to this black story. Their away record this season shows them to have obtained 13 points out of a possible 32, compared with our 14 points from the same number possible, so that we can expect some excitement from today's encounter. Notts. County are the oldest League Club, having been founded in 1862, and of course, as is well known, were one of the original twelve members of the Football League when it commenced activities in 1888. Although they have never won the Championship of the First Division they have been Division 2 Champions on 3 occasions, and Runners-up once, as well as having won the F.A. Cup, in season 1893/94.

After an absence from Kenilworth Road of nearly two years we shall once more see our old player (and we mean 'old' in the nicest sense) Jack Taylor, who went to Wolverhampton Wanderers from here and was transferred to Notts. County about three weeks ago. Last week at Meadow Lane he scored his first goal for them, which enabled the County to draw one goal each with their neighbouring team the Forest. We wish him every success with his new Club—after today.

The Luton Schoolboys went down to the Shield Holders at Vetch Field last Saturday after putting up a very gallant display. They collected no less than seven injuries in this encounter—too big a handicap against such a strong side. You gave a good account of yourselves, lads, and although you did not get into the covetted semifinals to make history for Luton you played some grand football in getting as far as you did and are to be congratulated on your achievements. Perhaps better still next time.

The Running Commentary direct to the Luton and Dunstable Hospital each First and Reserve match is now in full swing, and from all reports is proving most satisfactory. One or two improvements have been incorporated since the scheme was first put into operation which has resulted in the cost exceeding the receipts obtained from a collection we had inside the ground, and a few donations which have been gratefully acknowledged. Dare we ask that one or two of you here today who have received treatment at our local Hospital for which you will be eternally grateful, and appreciating what these broadcasts mean to the present patients, will spare a moment to send a donation, however small, either to the Office or to Miss Price, Assistant Secretary of the Luton and Dunstable Hospital. Such donations we can assure you will be acknowledged with grateful thanks.

#### THE COVERMAN

#### Leslie Frederick Hall

LES HALL signed Amateur Forms for us in 1941, turning professional the following year. He is therefore our longest playing member and what an asset to the Club he has been.

Was selected for the Schoolboy International Trial Match in 1936, joining St. Albans in 1940 and thence to us. Immaterial whether chosen to play in the First or Reserve teams puts all he has into it and plays as if he thoroughly enjoys his game.
