Declaring that there is nothing haphazard about the way in which they are seeking to solve their centreforward problem, the Town Chairman, Mr. P. G. Mitchell, told me yesterday that the Board are following a definite line of policy in which they are exploring two separate avenues.

One is based on the thought that there may well be a player already on the books who can do the job and the other concerns an active search among other League clubs for a player who is likely to fit in at Kenilworth-road. These efforts are proceeding simultaneously and the latest attempt to find the answer to it all is contained in the switch of righthalf Bob Morton to the leadership for Saturday's visit to Notts County.

THIS is not exactly a daring or new experiment, for it has been tried previously with a been made, with no result. new experiment, for it has been tried previously with a measure of success, the last time in a League match being at Fulham last season, when Morton did well in the first half, but had to be brought back later to help stem the holes that were appear-

To fill the vacancy at right-half there is promotion for Jim Pemberton, who has been in brilliant form for the Reserves recently and who receives the first team chance he has been awaiting so anxiously.

"Consequently, we must go back to some of the tried players

who have done well in the position, and I am quite sure they can do it again. By calling on Morton they are making their first attempt in this

direction, but if it fails there are others in the background.

When I asked Mr. Mitchell if
Morton would be regarded as a permanent solution he answered: "He will if he does well and if his move up does not weaken the

Although it was not until the ciosing stages that the Town Reserves finally clinched their victory at Bournemouth, they were always the better balanced and more impressive side.

When the home defence finally

yards after Cullen had pulled the ball back to him. However, their forwards, lacking both the eleverness in approach and the thrust of those of the Town, were securely held by a defence in which there was not the slightest suggestion of a weak

Baynham dealt with everything that came his way in the most confident manner and was well covered by Jones and Thompson, who have developed into a splendid full-back partnership.

Nor was there anything amiss in the middle line, where Pemberton was outstanding, particularly for his help to the attack, in which Watkins also shone, and Dallas put up a most useful show in the middle

Forward, too, there were grounds for satisfaction, with Cullen the best of a line that showed plenty of method.

From both Allen and Pemberton he received good support and Cummins struck his best form after the interval, showing brilliant footwork and providing a stream of passes for Taylor, who did not home record always make the best use of them. In view of the previous records of both teams this season, and the fact that the law of averages invariably operates in football, as in everything else, there was always a danger of this sort of result at Kenilworth-road on Saturday.

Truth was, though, that the quality of the Swansea display belied their very poor away record, whereas the Town certainly did not look like a team that had been invincible at home previously and the verdict went to the more deserving side.

USEFUL LEAD Old Dunstabilians 2. Broxbourne 4 This was - fast clean and al-ways entertaining match, and Broxbourne were deserved winners

Man of the match was the Broxbourne centre-forward who scored three or his side's goals. The O.D. opened the score through WATSON and LEWIS increased the lead but Broxbourne were not deterred. Their defence tightened up and their forwards began to look for

goals. They soon equalised and took the lead before the interval. To set the seal on the Old Boys' defeat they scored again in the second half OTHER RESULTS Broxbourne II 0. OL Dunstab-lians II 1. Broxbourne III 3. Old Dunstab-lians III 0. Letchworth Ladies 4, Chiltern
