# MAN FROM WINSFORD

First step in the Town's move to replace forwards with whom they have parted was made on Tuesday evening when they secured the transfer from Winsford United, the Cheshire League club, of Chris Pearce, a 24-years-old inside forward.

After receiving favourable reports on his play from one of their northern scouts who watched him on two occasions, the Town Chairman, Mr. P. G. Mitchell, accompanied by fellow-Directors Messrs. A. F. England and T. Hodgson, went to Stafford to make a final decision on him last Saturday.
