

Town's No-Goal Away Draw

Hundreds From Luton

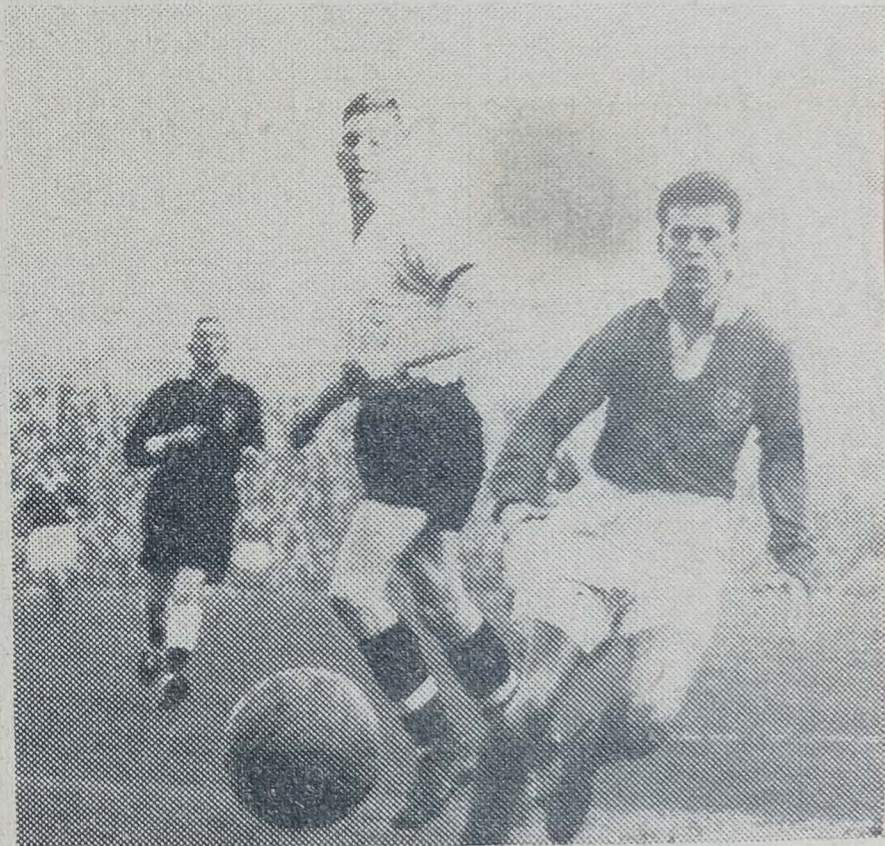

cheer from some of the hundreds of Luton supporters who travelled to Portsmouth to see the game.

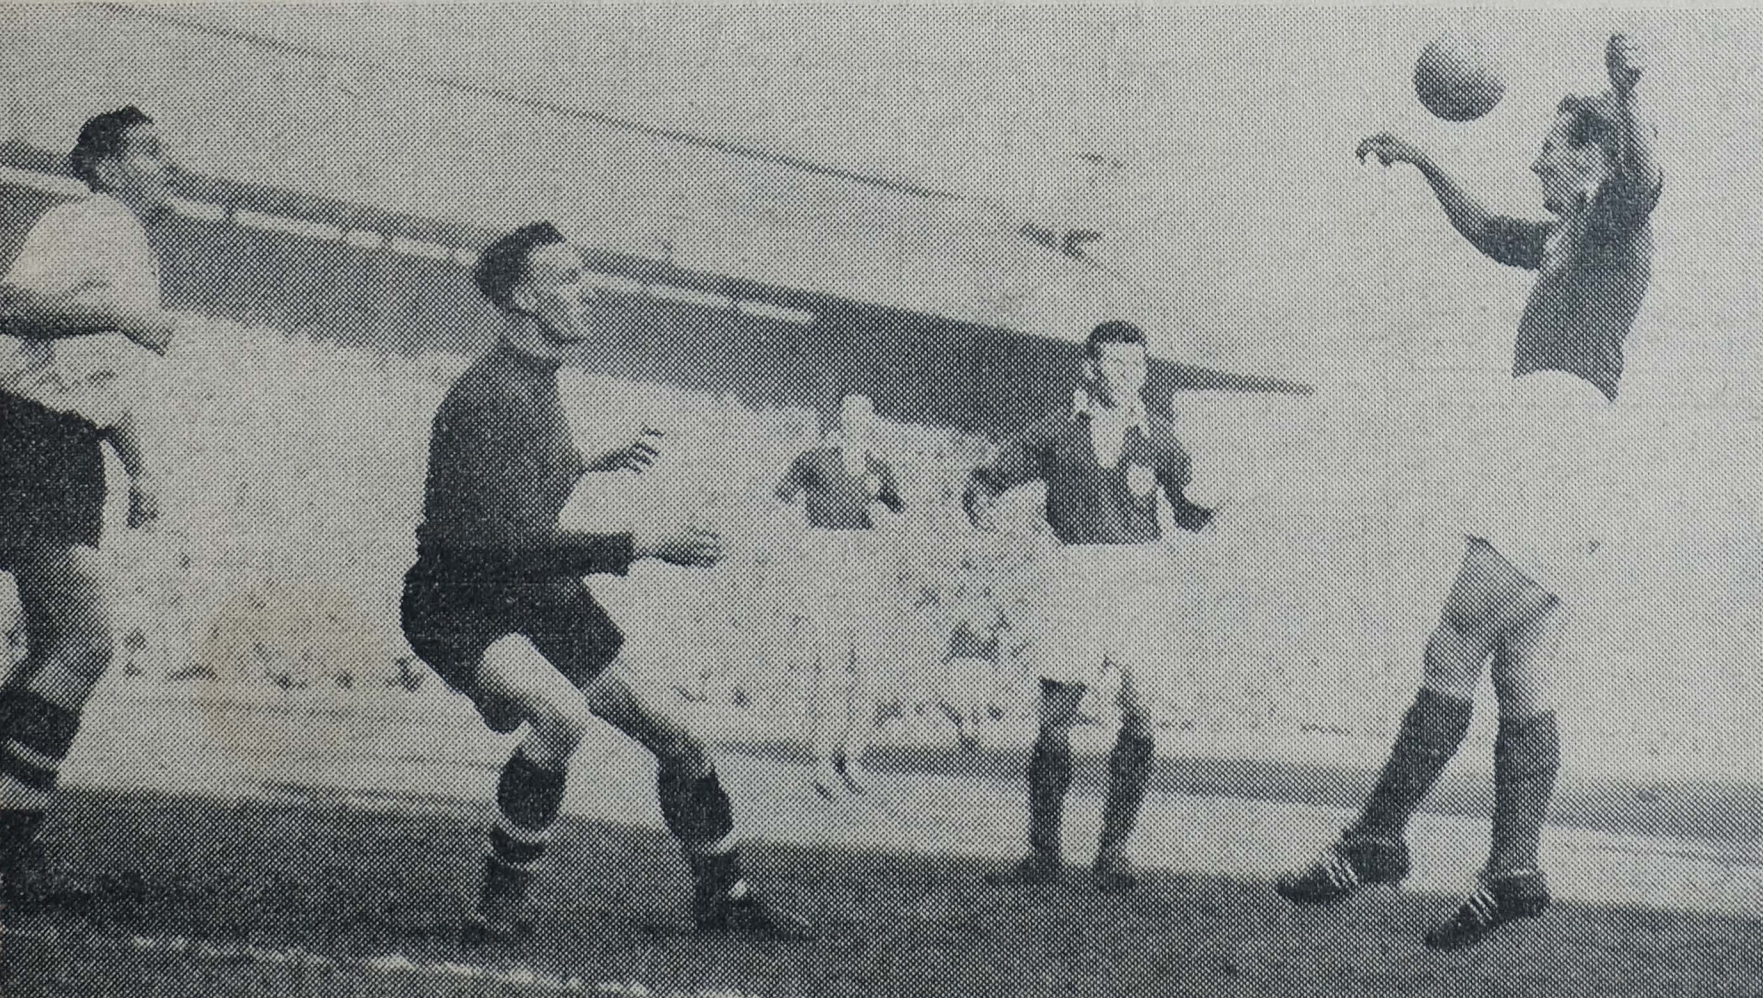

That away jinx caught up with the Town again on Saturday, and they came home from Portsmouth with only one point. Luton had the running in the first half but, after the interval, Pompey struck back hard, and gave the Town defence a tough time. This is one attack, with inside-left Robertson (second from right, just behind Shanks) having a shot—which ballooned over the bar.

Rees Is Through

Another Pompey attack. Centre-forward Rees breaks through with the ball at his feet—but Owen turns to give chase.

ANOTHER BRILLIANT GAME

Ron Baynham, capped again for England, played another brilliant game and made two or three superlative saves. Here he is sizing up to snatch a Robertson header, with Pemberton and Shanks waiting behind him to cover up.
