

BOGY (LEICESTER) BOYS DO IT AGAIN!

The mud of Kenilworth-road, on Wednesday, helped Leicester to skate into the fourth round of the F.A. Cup with a 4-0 victory over Luton. But Luton had their moments. Left: Bob Morton goes crashing through with that determined look on his face. Below: Mike Cullen's shot from the wing, hits the bar and bounces out. No wonder everyone looks surprised.

OOF!

THEY SHALL NOT PASS

That five-yards shot for goal which Bob Morton lobbed straight into Anderson's arms. Centre-half Fincham tried to stop it, but he slithered in vain. Another narrow escape for Leicester.

That fatal 37th minute when Sid Owen, nursing a torn groin muscle, was helped off the pitch by Trainer Harry Wright. Photo: T. H. Sheen.

FLASHBACK No. 1: The hopes of thousands of soccer fans depended on these three men as they squelched about Kenilworth-road on Tuesday evening, closely inspecting the pitch. For they are, from the left: Groundsman John Sanderson; Referee T. L. Wood, from Bury; and Manager Dally Duncan. Photo: T. H. Sheen.

THOUSANDS WAITED ON HIS WORD—

FLASHBACK NO. 2: Early Wednesday morning, and Mr. Wood is back at the ground again—having another look. With him is Bernard Streten. —M5252M

Leicester pack their goalmouth in a determined effort to stop Luton even getting a chance.
