

Luton Remembers United

Directors, training staffs and players of Luton and Sunderland—joined by the almost 16,000 crowd of supporters—

stand with bowed heads and remember the tragedy which hit Manchester United on Black Thursday. For two minutes they stood in silence . . . then the whistle blew up for action and the battle was on. Battle, did we say? Correction. Rout. Luton ran rings around the visitors and trounced them 7-1 in their best win this season.—R3562R.

Allan Brown chases after a long shot . . . but Sunderland's Fraser pulls the ball to his chest and clears.—R3559R.

RIGHT: Whoosh! Brown gets his right foot to an on-the-plate pass from Turner and slams it home, well out of Fraser's scrambling reach. It was the 28th minute and already the writing was on the wall for a harassed Sunderland defence.—R3558R.

Here comes goal number one for net-happy Luton. The game is just nine minutes old when inside-left Groves leaps for the sky and nods home a McLeod free kick.—R3557R.
