

THE HAMMERS HAMMERED

For the first 45 minutes it looked like being a repetition of Wednesday evening's dismal 1—1 draw against Leeds. Then the Luton forward line clicked, and tore this tall West Ham defence to shreds. First Brown equalised; then Turner cracked in two; and Pacey made it 4—1 in the closing minutes of the game. And what a game it was in those last 45 minutes: an atmosphere like a Cup-tie. ABOVE: Grim-faced and determined to snatch any chance, Allan Brown watches Hammers' goalkeeper scoop up a high one. Left-back Cantwell hovers in the background just in case.—R8572R. LEFT: West Ham defence in trouble again, with Brown, Groves and Adam well up as centre-half Brown heads away a long shot from Pacey.—
