OUR VISITORS

R. BAYNHAM (Goalkeeper).—This tall, well-built player is one of the best keepers in the country. He first played for Worcester City and his great displays attracted the attention of many League Clubs. He joined Luton in 1951 and in the 1952-3 season displaced their International goalkeeper Bernard Stretten. This proved only the start, for less than two years later Baynham had been capped for England in Internationals against Denmark, Spain and Ireland.

SEAMUS DUNNE (Right Full Back).—One of three Eire Internationals on Luton's books, Dunne has been an almost automatic choice for club and country for the past four seasons. He now holds 11 caps and played in the last match against Poland in October. A native of Wicklow, he arrived at Luton via the Irish League club, Shelbourne, in 1950.

BRENDAN McNALLY (Right Full Back).—Had only made the occasional appearance in Luton's senior side until Dunne's injury prior to the Third Round of the F.A. Cup versus Leeds on 10th January. Joined Luton from Shelbourne, the Irish League club.

KEN HAWKES (Left Full Back).—A player who has made considerable strides since returning to the club after National Service in 1953. Was spotted when playing for Shotton Colliery Welfare for Club's Northern Scout and made a big impression. Last season made 22 First Team appearances.

JOHN GROVES (Right Half Back).—Originally an inside forward, Groves has filled both centre forward and wing half positions with equal success since he joined Luton upon leaving school. Tall and fast, he distributes the ball accurately.

SYD OWEN (Centre Half Back).—Luton's First Team centre half back for many years now. An imposing figure on any soccer field, he has won many representative honours, including full Internationals against Hungary, Yugoslavia and Belgium in 1954 since joining the club from Birmingham City in 1947. Was originally a wing half.

DAVID PACEY (Left Half Back).—Made his name with Hitchin Town and was still an amateur when he joined the Forces. Joined Luton as a professional in August, 1956. Gained a regular First Team place when Pearce moved to Sunderland last season.

BILLY BINGHAM (Outside Right).—Luton paid a five figure fee to Sunderland for the transfer of Irish International Billy Bingham last July. Has represented his country, Ireland, in every International game since 1952.

ALLAN BROWN (Inside Right).—A Scottish International with 14 caps to his credit, Brown was transferred from Blackpool to Luton during the 1956-1957 Season. Began his League career with East Fife.

BOB MORTON (Centre Forward).—Has appeared in the League side at centre forward during the last few matches, but of course is well known as one of the strongest and most consistent wing halves in the First Division. Was chosen as Reserve for England versus Russia at Wembley this season.

GEORGE CUMMINS (Inside Left).—The third of Town's Eire Internationals, Cummins joined Luton from Everton for a five figure fee in 1953. Since then he has won 10 caps, the last being against Poland in October this year.

TONY GREGORY (Outside Left).—A local boy who played for Bedfordshire's Youth Team, earned youth caps for England and was also a member of Bedfordshire's team in the Southern Counties Amateur Championship. Is in his fourth season with the club. Has recently become a full-time professional player upon completing his apprenticeship at a local motor works.

TERRY KELLY (Centre or Wing Half).—A local boy who, on the occasions he has been called upon to deputize for either Morton or Owen, has always given a good account of himself. Is also a fine club cricketer.

GORDON TURNER (Inside Right).—A free-scoring forward. Turner scored 30 goals last season. Has played for the Football League and been a Reserve for the England "B" Team.
