IN THE NET GOES THE EQUALISER

● It's in the net (above) and jubilant Norwich outside right Errol Crossan rushes to congratulate Bobby Brennan (not in picture) whose goal has saved the day—his 34th birthday.

● Anxious moment for Norwich (right) as 'keeper Sandy Kennon lunges towards his own goal and only just reaches the ball as it is about to enter the net.

● Kennon makes no mistake as he goes up to snatch the ball from the head of Luton star Allan Brown. Centre-half Barry Butler is on the left

Crossan heads the ball into the Luton net, but the goal is disallowed and Norwich are still one down.
