

EVERTON SWITCHES BRING SUCCESS

Everton 3 Luton 1

It was not until Collins moved to outside right and Harris (J.) was given a roving commission midway through the second half that Everton began to open gaps in a Luton defence which stood up solidly to strong pressure at Goodison Park yesterday.

In 34 minutes Everton went ahead when Harris (J.), in the inside-left position, scored with a fierce left-footed shot on the turn.

Luton equalised after 48 minutes when Morton swept the ball tentatively towards goal to find it sailing quietly just inside the post from at least 25 yards.

In the 74th minute Everton regained their lead through Thomas, and four minutes later Harris (J.) put the issue beyond doubt when he stabbed the ball home from a narrow angle.
