

STANDEN AND DODGIN

SAVE ARSENAL

Luton Town 0 Arsenal 1

IF Arsenal supporters think their team are over their bad patch as a result of this match they may be doomed to disappointment. The 1-0 result was a travesty of what happened.

Arsenal were outplayed in the second half and owed a debt to the solid defence of Magill, Dodgin and Evans for withstanding Luton's pressure.

Most of all they had to thank Standen for a brilliant display of goal-keeping. One save from a Brown header was miraculous.

Brown and Gregory frittered away many chances and either could have been the match winner.

BAYNHAM FALTERS

Julians Accepts Chance

Julians snapped up what was scarcely a half chance a minute from half-time when Baynham made his only mistake in failing to cut out a centre from Haverty.

Arsenal's problems remain but there is hope for them while Dodgin is in such tremendous form. Evans gave a vastly improved display against Bingham who tried to do too much and Luton failed to profit from their Highbury experience of Boxing Day when they kept play open and exploited the spaces on the wings.

After the interval Arsenal were able to pack their penalty area. Turner was the most dangerous of a Luton attack that was very disappointing.
