

# Luton badly hit

Swansea 3, Luton 2

**L**UTON manager Sam Bartram has some problems ahead. He has to replace a couple of men injured in this battle in the heat at Swansea.

Luton lost inside right Ashworth with a broken nose after only two minutes, and had to do without Eire international back Brendan McNally with a suspected broken leg for the closing twenty minutes of this match.

Swansea coasted to a three-nil lead (Webster 2, Reynolds) with seventy minutes of the match just

a memory. Then centre forward Gordon Turner scored from the penalty spot to reduce the visitors deficit and in an all-out attack in the closing minutes Fleming netted with a solo effort.

Ashworth collapsed on the pitch holding his face, was rushed to Swansea Hospital, had a broken nose re-set, and returned to contribute some heroic play during the second half.

McNally emerged from a Reynolds tackle with his leg doubled up and was taken off the field by stretcher en route to Swansea Hospital.

But despite their injuries Luton never eased their effort

Referee Jack Catlin, of Rochdale, had a busy afternoon. He warned five players, two of them from Luton, for over-boisterous play.
