ROTHERHAM lost their way to Luton last night. After 20 extra miles they arrived only 15 minutes before the start of their Football League cup-tie.

It was not the only time they lost their way. Now they must replay next Tuesday for the right to enter the third round.

Injury-hit Luton fielded six men who were reserves last Saturday.

Only one looked good—goal-keeper Jim Standen. And it was Standen who came so close to scoring for Luton.

His long clearance in the 59th minute bounced awkwardly and Morritt could only punch the ball out.

Centre-forward Lornie should have scored, but could not control the ball.

Luton played with more enthusiasm than skill. Three minutes from time, transfer-listed right back Brendan McNally, who was watched by West Bromwich and Leicester—went up to show them the way, but his shot was tipped over the bar.

Luton.—Standen : McNally, Bramwell : Morton, Collins, Pacey : Fairchild, Ashworth, Lornie, Groves, Jardine.
