LUTON'S HERO 61/62

After three successive defeats, during which time they have scored only two goals while conceding 12, Luton Town got back into the winning way on Saturday by defeating Newcastle United 1-0 at Kenilworth-road. Satisfaction in the victory — but consternation about the attendance, which was only slightly over the 9,000 mark. ABOVE, right (G9471X)—the United goalkeeper is beaten, but the Northern team's left-half, Bell, saves the day. The action picture on the right shows Town centre-forward McKechnie trying to outjump the Newcastle goalkeeper and a defender.—G9469X.
