

LUTON SHAKEN BY BREMNER BURST

61/62

PACEY HALTS COLLINS

Leeds 2 Luton 1

The return to form of Bremner as a marksman after going 15 matches without scoring made all the difference when Leeds gained two valuable points against Luton.

Bremner back in his original outside-right position beat Standen twice in the first 20 minutes of the second half. Until this revival Luton looked the better team after McNally had put them ahead with a remarkable shot from an acute angle.

While there was plenty of excitement for the crowd after a slow opening, the display of both sides showed how much rebuilding needs to be done by both clubs before a rise to former prominence is possible.

Luton were one of the poorest teams seen at Elland Road this season and there were plenty of question marks about the Leeds effort. On the credit side Hawksby revealed more dash and enterprise than previously in the Leeds front line.

For Luton, Pacey, generally kept Collins on a tight rein while centre-half Kelly denied Lawson, another costly Leeds signing. any real scoring opening.
