

Walsall

so shot-shy

Luton2 Walsall0

WALSALL, moving better in attack than shambling Luton, could have taken the lead but appeared shot-shy and they made the mistake of shooting from long range and keeper Standen was seldom in trouble. Nippy wingers Meek and Taylor tried desperately to produce the finish that was lacking.

Second-half Luton suddenly found the ability to punch holes in Walsall's defence. The goals came from Turner, who scored in the 65th minute and from a penalty nine minutes from time.
