

ORIENT SLIP AGAIN

Leyton Orient ..0 Luton0

ORIENT'S hoodoo—they have not won at home since January 13—is throttling their promotion challenge.

If Orient are to break out of Division II they must win at Norwich today and Luton (Monday).

Orient, and their 21,295 fans, thought they had beaten Luton when McDonald angled the ball home in the 53rd minute.

But referee J. R. Loynton, backed up by a linesman's flag, ruled Dunmore offside.

Orient spent nearly the whole match working away at Luton's defence. Ex-Wolves winger Deeley nearly scored five times—two shots and three headers.

Orient's half-back line kept 'keeper Robertson well shielded,

But Orient's real need is an on-form Dunmore. He produced only one flash of his old form—when he ended a 30-yard run with a 20-yard shot that sent Standen scampering across his goal as the ball flashed just wide.

Orient recall Bolland at inside left for today's match.

Orient.—Robertson; Charlton, Lewis; Lucas, Bishop, Lea; Deeley, Taylor, Dunmore, Graham, McDonald.
