

McILMOYLE

UPSETS LUTON

62/63

Luton 2, Rotherham 3

LUTON had only one purple patch when Lornie scored two goals in a minute to put them on level terms with Rotherham.

The Lornie goals which came in the 59th and 60th minutes put new life into Luton who moved with more confidence.

However, they allowed Rotherham to take command again and seven minutes after the equaliser, McIlmoyle sauntered casually through a defence that stood appealing for offside and headed the ball into the net.

Luton appeals were in vain, though in fairness to Luton, McIlmoyle looked a couple of yards off-side.

After that Luton had two slices of bad luck when Pacey crashed the ball against the bar and Turner was tripped in the penalty area and the referee waved on play.

Yet they could not complain about the result because Rotherham were the better balanced, more ordered, team. They had the defensive stability that Luton lacked and the cohesion and ability to find the open space in attack which Luton could not match.

Kirkman, the best opportunist on the field, scored Rotherham's first two goals.
